Trailers: Please contact Jasen Higgins (jrrhiggi@yahoo.com) in advance if you plan to arrive the day before the regatta so that we can accommodate you. Space is available starting at 3:00p.m. on Saturday afternoon. There **will** be security on site overnight. All trailers arriving on Sunday must be there by 6:00am to mitigate traffic congestion at the launch site. Please have your crew ready to unload your boats as quickly as possible. As soon as you are unloaded, please move your trailer into a parking space so that another trailer can unload. Your trailer may be parked in the parking lot adjacent to the launch site. However, your truck will need to be parked at one of the locations above.

Car-toppers: There is no parking on site for car-toppers. Please unload your equipment and then park in the areas mentioned above. You may arrive as early as 3:00p.m. the day before the Regatta.
