

# 2005 Head of the Fish Regatta

## 20<sup>th</sup> Anniversary

### Entry Packet and General Information

The 20<sup>th</sup> annual Head of the Fish Regatta, co-hosted by the Saratoga Springs Rowing Club and the Saratoga Rowing Association, will be held **Saturday, October 29<sup>th</sup>, 2005**. This year the regatta will be held on the same 2 ½ mile course as it has been used for the past 19 years. As was recently instituted, the warm-up lane will remain such that there is no need to cross the racing lane when launching or landing.

We hope you will be able to join us on the 20<sup>th</sup> for the Head of the Fish Regatta – home of great water, and the best trophies and t-shirts on the circuit.

## **IMPORTANT INFORMATION FOR 2005**

1. *All registration will be handled online this year at [www.RegattaCentral.com](http://www.RegattaCentral.com). Deadlines will be strictly enforced. We will NOT exceed 1000 entries.*
2. *Official Regatta Venue* – Three years ago we had a change in this area. The regatta venue moved from the NYS boat launch facility to **Lee's Park**, located just on the other side of the Boat launch (see enclosed map). The move to Lee's Park more than tripled the available space for the regatta. (Note: Car topped boats remain based in the NYS boat launch) It also allowed the addition of vendors and concessions. The Waterfront Restaurant, a secondary venue used in the past, is no longer used by the regatta. However, it is a great place to view the finish line and have lunch (good food!). <http://www.thewaterfrontsaratoga.com/> The finish line remains unchanged.
3. *Entry Deadline* – The regatta entry deadline will be strictly enforced. All regatta entries must be completed online no later than **October 16<sup>th</sup>, 2005**. Waivers for any person competing at the Head of the Fish, and fees for all teams must be post-marked by October 14<sup>th</sup>, 2005, if mailed.
4. *Waiver of Liability* – **IMPORTANT – PLEASE READ**. This is not a USRA registered regatta. Insurance is obtained elsewhere and is paid by the Saratoga Rowing Association. Each participant **MUST** complete and sign the Rowing Waiver Form enclosed in this packet. This form may be photocopied

as necessary. Participants who are age 17 or younger, on regatta day, MUST have their parent or legal guardian sign the Waiver form. Failure to submit the required Waiver Forms with your entry forms and fees may void your entry. Please be advised this Waiver form is the only waiver form accepted by the regatta.

5. *Regatta Telephone, e-mail, and website* – Questions regarding the regatta will be answered on e-mail at [Chaserow@nycap.rr.com](mailto:Chaserow@nycap.rr.com), via the website [www.togacrew.com](http://www.togacrew.com) (click Head of the Fish), or as a last resort by phone at (518) 587-6697.
6. *Scratches and Refunds* – There will be no entry fee refunds for scratches received after October 16<sup>th</sup>

**We look forward to having you here!**

Hot seating (of equipment and personnel) will be performed at the **crew's risk** of missing an event. At least two races should separate the events being rowed. Under no circumstances will the start of an event be held up waiting for a late boat.

Bow numbers and back numbers must be used. Numbers will be provided at registration. Crews without bow numbers and/or back numbers will not be permitted to launch. Bow numbers are to be turned in at the launch site after race. **No Bow number at the finish, no time.**

Boats without bow balls and quick release footgear will not be permitted to launch. All boats will be inspected prior to launch.

### RESULTS

Computerized results for each event will be made available as soon as possible, as well as posted in “real-time” online at [www.RaceTrak.com](http://www.RaceTrak.com) All results posted on regatta day are unofficial. Official results will be posted on [www.RaceTrak.com](http://www.RaceTrak.com).

### AWARDS

Medals will be awarded to the members of each winning boat as well as second and third place finishers. Fish Head trophies are awarded to the winning boat in each event/category. The total point collegiate champion crew (DI and DIII) and the total non-collegiate champion crew each receive a take-home trophy and inscription of their name on the permanent trophies.

As soon as results are posted, winning crews should appear or send a representative to the Registration Tent to receive their awards and pose for a photo-op. The total point trophy winners are announced as soon as possible after the completion of the last race.

### PARKING

Parking arrangements for crews and individuals will be detailed on the website as the event draws nearer. Please pay close attention to the instructions regarding parking, and well as the instructions received from police and volunteers on regatta day. Park where you are told to please, as only tow vehicles will be allowed near the launching areas. Make sure all team tent/food vehicles drop off on Friday, as you will be carrying anything else to your tent as of Saturday morning. Please note: the bridge becomes extremely backed up on race morning. Do not miss your race because you did not time your arrival to the site well. Also, **TRAILERS:** Trailers will be onsite by midnight, Friday. You do not want to be parking that trailer in the dark in Lee’s Park. Also, getting caught on the bridge could put you in a position of missing early races because you were stuck in traffic. The park does not open until 5:45am, and there is a long line waiting by 6am.

Overnight parking of boats, trailers, and equipment (not vehicles) will be allowed on Friday night. Volunteers will be on hand starting at noon on Friday to direct trailer and boat parking. Please do not come with demands for your trailer & Food tents – you will not like the answers very much. The volunteers will direct you to a place, not vice-versa. Also, there will be security on the premises to safeguard the equipment – Friday night only.

## REGATTA SCHEDULE

The schedule has been carefully constructed based on the number of entries last year. By October 19<sup>th</sup> when the schedule is posted, we will know how to adjust the schedule in order that the regatta runs on time. Fear not... the order of racing should not change, but the amount of time allotted to each event may change slightly. You should still feel free to race as often as you like, assuming you do so safely, and, while leaving a sufficient amount of time to reach the start.

Events will NOT be held up for boats that are late to the start. **Note: the times below are based on last year's entries. They will be close, but not exact for this year.**
