

# **2010 OKLAHOMA REGATTA FESTIVAL**

## **OCU Head of the Oklahoma Registration Information**

### **Oklahoma River, October 9-10**

#### **EVENT OVERVIEW**

The Oklahoma City University Head of the Oklahoma regatta returns to the Oklahoma River October 9-10, 2010 as part of Oklahoma City's premier fall event, the Oklahoma Regatta Festival - a four day celebration of rowing, kayaking, dragon boating and family fun on the Oklahoma River. This year's festival includes the blu VIP Party and Devon Boathouse grand opening, a national coaching clinic, OCU Head of the Oklahoma racing, OG+E NightSprints...and a family festival featuring live music, a children's area, food from some of Oklahoma City's best restaurants, a wine garden, and a front row seat for all the racing! The Oklahoma Regatta Festival and the OCU Head of the Oklahoma will be held in the Boathouse District on the Oklahoma River, adjacent to downtown Oklahoma City and the Bricktown entertainment district.

#### **HEAD OF THE OKLAHOMA**

Presented by Oklahoma City University, the Head of the Oklahoma has quickly become one of the top collegiate rowing regattas in the country. The 2010 OCU Head of the Oklahoma will attract an estimated 1,000 athletes from 40+ collegiate and community rowing clubs, with top crews including the OKC National High Performance Team. Teams will compete in the 2.5 mile Head of the Oklahoma head race on Saturday with racing beginning at 11am. The head race will also act as a qualifier for the 500m rowing and 200m kayaking OG+E NightSprints on Saturday evening.

#### **OG+E NIGHTSPRINTS**

In its fifth year, the OG+E NightSprints attract thousands of spectators to the Oklahoma River as world-class rowers from across the nation sprint under giant stadium lights. Crews will qualify for night racing in select head races held earlier in the day.

#### **ROWING SCIENCE SEMINAR**

The Oklahoma City National High Performance Center and the Kossev Consortium will present a one-day Rowing Science seminar on Friday, October 8, 8am to 4pm, with an optional early morning on-the-water session. During the seminar, national and international sport science experts will discuss their research and the practical applications of science and technology to the art of rowing. The speakers will share best practices and explore how the sport of rowing can be enhanced through available performance technology. Topics, appropriate for coaches at all levels as well as masters and elite athletes, will include the physics of the stroke cycle, rowing biomechanics, nutrition and optimal performance, how to maximize use of readily accessible performance technology, and topics tailored for junior and collegiate coaches. Currently slated to speak are sports medicine specialist Katherine Ackerman, MD/MPH, world renowned biomechanical expert Valery Kleshnev, PhD; and University of Miami head coach Andrew Carter, a collegiate rowing coach with international experience in applied sports science. Registration for the seminar is \$75; the optional on-the-water session is \$25. Registration is now open and can be made online at [www.headoftheoklahoma.org](http://www.headoftheoklahoma.org).

#### **NEW FOR 2010**

The Head of the Oklahoma returns to Regatta Park in the Boathouse District for 2010, and with the return come many changes to improve the regatta experience for athletes, coaches, and spectators, including

- Shoreline improvements providing "V" inlets
- River walk for "on the water" viewing
- Expanded staging areas, all with clear race course views
- Live streaming video of racing
- Additional lighting for night racing

Packets will include heat sheets with corresponding bow numbers and race bibs, course maps, and additional event instructions and information.

**REFUNDS/ SCRATCH FEES:** Entry fees will be refunded for scratches registered on or before

**2010 OKLAHOMA REGATTA FESTIVAL**  
**OCU Head of the Oklahoma Registration Information**  
**Oklahoma River, October 9-10**

Saturday October 2nd. Scratches after this date will forfeit their entry fees. A \$10 scratch fee will apply for scratches after this date and for no-shows on race day.

**RELEASE OF LIABILITY WAIVERS:** The Head of the Oklahoma is a USRowing event and requires a signed USRowing Release of Liability for each athlete. Waivers may be signed online which is the preferred method for submission; paper waivers may be mailed in advance or presented at Registration. All junior team coaches must carry and be able to provide a signed copy of the USRowing Release of Liability for each member of the team.

To sign an online waiver, the athlete may do it either through the USRowing web site or on Regatta Central. **USRowing:** goto [www.usrowing.org](http://www.usrowing.org) and click on Join/Renew in the upper right hand corner. Full-Privilege members of USRowing click Sign Your Waiver Online. If the athlete is not a Full-Privilege member of USRowing, click Sign Waiver and Add My Name to my Organization's Roster. Complete the forms per their instructions.

Through **RegattaCentral.com**, log-in to [www.regattacentral.com](http://www.regattacentral.com). On the home page, under My Roster, click on Instructions for USRowing Waiver Submission.

**IMPORTANT:** Waivers must be submitted by the athlete or their legal guardian. (Coaches are not permitted to submit a waiver on a rower's behalf)

**SEEDING:** The starting positions for the head race events will be seeded according to the results from the 2009 event. All other starting positions will be assigned according to a random draw conducted by Powerhouse Timing. The lane assignments for the NightSprint events will be based upon the finish times from the corresponding head race events. Head race events with a, b, and c sub categories will base advancement on the top collective times from all sub categories. For example: in an event with Open, Collegiate, and Lightweight subcategories, the top 12 times from all three advance to one NightSprint final.

**EXHIBITION EVENTS:** The Parent/Child NightSprints are direct registration with no corresponding head race event. To register email Elizabeth Laurent at [elaurent@okcbf.org](mailto:elaurent@okcbf.org). In deference to NCAA regulations, collegiate rowers are excluded from participation in Parent/Child NightSprints.

**TIMING:** All event timing and results will be provided by Powerhouse Timing. Live results and video will be available online throughout the event.

**COACHES AND COXSWAIN MEETINGS:** Race officials and organizers will hold a meeting for coaches, coxswains and unaffiliated scullers at 9:00 am on Saturday, October 4, at the Awards Stage adjacent to the Chesapeake Boathouse. Individuals not competing on Saturday are required to attend the Sunday meeting at 6:30 am.

**AWARDS:** Awards will be distributed for the Head of the Oklahoma at designated times throughout the day on Saturday and Sunday as results become official. An awards schedule will be included in the athlete race packet. Special awards will be awarded during a special ceremony prior to the start of the OG+E NightSprints. Special awards include:

- Norick Cup – First-place finisher of the Men's Collegiate Eight Head Race
- Ackerman Cup – First-place finisher of the Women's Collegiate Eight Head Race

OG+E NightSprints: Gold Medals for the OG+E NightSprints will be distributed immediately

**HOTEL INFORMATION:** Please visit [www.headoftheoklahoma.com](http://www.headoftheoklahoma.com) for a complete list of our hotel partners and the contact information to receive the special regatta rates.

## RACE COURSE/ REGATTA RULES

**TRAFFIC PATTERN:** Please see course map for specific traffic-related information. All rowing will be conducted in a counter-clockwise traffic pattern with racing occurring from west to east. Please use caution when passing through the bridges that cross the course.

**LAUNCHING:** All participants are expected to launch a minimum of 40 minutes in advance of the event in which they are entered. First call to the water is 55 minutes prior to the start of the race. Any changes to the launch times will be announced. Announcements will be made calling crews to the water. Events will not be held for late crews. Please ensure your crews are prompt on the dock and observe a 90 second dock time.

**CONTROL COMMISSION:** All crews are expected to check in at the Control Commission tent prior to launching. The crew will be given direction as to which dock to use for launching and will check for a properly affixed bow ball and heel ties on each shoe. Control Commission representatives will be located near boat launching areas.

**BOAT LIGHTING:** Regatta staff will provide lights for all boats entered in OG+E NightSprint events. Boats are prohibited from launching without the required lighting.

**RACE BIBS/BOW MARKERS:** Race bibs and bow numbers will be in your entry packet that should be picked up Friday afternoon or Saturday morning. All waivers must be turned in to receive the packet. All boats must have the bow number displayed during the race and the race bibs should be worn on the back of all bow seat rowers. PLEASE PLACE THE BOW

NUMBERS IN THE MARKED RECEPTACLE LOCATED AT THE RECOVERY DOCK AT THE CONCLUSION OF YOUR RACE.

**HOT SEATING:** Hot seating will be permitted only from the specially designated hot seat dock. The control commission must be informed in advance of a hot seating situation. No events will be delayed for late arriving crews. Late arriving crews may race the course for time if deemed safe by the starting official (however, they will not be eligible for a medal).

**STARTING:** The starter will arrange the crews so that crews cross the starting line at approximately 15 second intervals. PLEASE HAVE YOUR CREWS LINE UP IN THE ORDER OF YOUR BOW NUMBER PRIOR TO THE START OF EACH RACE. To consolidate space in the starting area and expedite the start process, crews will set up in two lines with the even numbers on the north and odd on the south.

**RIGHT OF WAY:** A crew is deemed to be overtaking another crew when it has moved within one length of open water of the crew ahead. On those portions of the course that are straight, a crew being overtaken shall move to the right to allow the overtaking crew to pass. Where the course turns, a crew being overtaken shall move to the outside turn and allow the overtaking crew to pass along the shorter path. Nevertheless, in cases where the overtaking crew's position clearly prevents safe passage or where there is insufficient room to yield, passing is not allowed, nor is the crew being overtaken required to yield. Use caution near all the bridges and be extra careful as you go through the railroad trestle bridge located just west of the Chesapeake boathouse.

**PENALTIES**

Buoys- Yellow buoys mark the boundaries of the course, dividing the race lanes from the warm-up/traffic lanes. Red buoys alert of approaching hazards. A crew shall be penalized 10 seconds for each buoy the crew passed incorrectly. A crew passes a buoy incorrectly when any part of its hull passes on the wrong side of the buoy.

Start- A crew that missed the correct order of the start will be penalized 10 seconds.

Yielding- A crew that fails to yield to a crew having proper right of way shall be penalized 30 seconds. A crew that fails to yield to a crew being properly summoned to the starting area, or interferes with the staging of the start may be penalized 10 seconds by the Marshal or Starter.

Bow Number- A crew that crosses the starting line without its required bow number shall be penalized 60 seconds.
