

HEAD OF THE REACH

DATE: Saturday, September 26, 2010

LOCATION: Deas Island Regional Park, Delta BC

DETAILS: A challenging 5.5-km race passing the quaint float homes of Ladner Reach, under the Deas Tunnel access bridge, and into the Deas Slough, the most coveted and protected rowing waters in the Pacific Northwest. Try to keep your head in the boat as you row past swans, herons and seals, while bald eagles and kingfishers soar overhead.

- Boats must be in the water by **07:45 AM.** and **10:45 AM.** for each race - in fairness to crews waiting at the start, **no late launching will be allowed.**

5. Up-River Row

It will be a running start with approximately 10-second intervals between boats.
- The finish line is 250m from the Deas Island dock. *A cool down area will be just behind the finish line.* Please be aware of the limited space available behind the finish line when participating in a cool down.
- A time penalty may be applied to any boat that cuts a corner by not correctly rounding one of the yellow inflatable buoys.

7. After the Finish.

All boats must stay behind the finish line for cool down exercises. A dock marshal will be available to assist with traffic.

8. Boats not Finishing.

- If you retire or chose not to complete the course for any reason please advise the nearest safety boat.

9. Risk

- Competitors and crews participate in the races entirely at their own risk. The decision to race is that of the competing crew alone. The organizers will not accept any liability for material damage, personal injury or death sustained in conjunction with, or prior to, or during or after the event.

Be guided by the rules of good sportsmanship.

Your safety and the safety of other participants is paramount
