

**2007 Redhawk Sprints**  
Saturday, March 31, 2007  
Hosted by the Miami University Rowing Club

**Course:**

- The racecourse is a straight 2000-meter course located on Acton Lake in Hueston Woods State Park, home to the Miami University Rowing Club. *The start and finish lines have been moved this year*, to allow onlookers to see a great deal of the race as they pass the crowd.
