REGISTRATION PACKET

INVITATION

The Rocket City Rowing Club, Inc. (RC²) of Huntsville, Alabama invites you to participate in the 2006 Hobbs Island Regatta on the beautiful Tennessee River. Founded in 1996, RC² is a rapidly expanding rowing organization and is proud to host Alabama's only head race regatta. Located in North Alabama, Huntsville is convenient to much of the southeast region and many parts of the mid-Atlantic and Midwest regions.

The Hobbs Island Regatta is a 3-mile head race held on a side channel of the Tennessee River. Hobbs Island is an undeveloped island that separates the majority of the course from the main channel of the Tennessee River and shelters the side channel waters from wind, waves, barges, and other river boat traffic. The race course begins at the head of Hobbs Island and follows a series of gentle bends around the island. The finish line is located upstream of the mouth of Ditto Landing Marina.

Included in this registration packet are information on this year's scheduled events and instruction on how your crew can participate. If you have any questions or need further information, please contact:

Bill Nourse Regatta Committee Member

Phone: 256-508-6984

E-mail: rwnourse@prodigy.net

The members of RC² look forward to seeing your crew on race day!

Course information, **traffic flow patterns**, schedule adjustments, and safety information will be discussed at this time. All crews will be held responsible for the information delivered at this

meeting.

Race Schedule: The Hobbs Island Regatta Committee reserves the right to

combine events or to cancel events based on the number of entries received. Every effort will be made to adhere to the published schedule provided in the Race Packet. Late entries may be made up to two (2) hours prior to the published event start time. Should you be required to scratch an entry from any event, Registration should be **notified** at least one hour prior to the published event start

time.

designated area adjacent to the Registration Tent from

7:00 AM to 8:30 AM.

- 3. **Boat Construction for Coxswains:** Every boat which requires a coxswain shall have an unobstructed opening (as defined by USRA Rule 3-110) for the coxswain to enter and exit the boat. The inner surface of the coxswain's seat shall be smooth and free of any obstacles that would hinder quick exit. Under no circumstances shall deadweight, as required to meet minimum weight requirements, be attached to the coxswain's body!
- 4. **Bow Markers:** Each boat shall have in place a bow marker placard designating the appropriate entry number. In addition, a corresponding number shall be worn by the bow oarsman. Bow markers will be distributed with your race packets during check-in. These bow markers are critical for the correct recording of your race time.

All equipment adjustments must be made prior to launching. Adjustments will not be permitted at or on the docks. Due to the limited dock space, those crews attempting to make adjustments while at or on the docks may be assessed a 60 second penalty at the discretion of the Dock Master. Should you have questions regarding your equipment, please ask during registration and we will be happy to inspect your boat(s) for possible deficiencies.

Dock Master: The Dock Master will have absolute authority over all docking procedures including hot-seating and will have the authority to assess time penalties against crews who cause congestion in the dock area.

Hot-Seating: Hot-seating will only be allowed if the boat that is to be hot-seated can return to the start line prior to the published start time of the event. Please notify Registration if your crew intends to hot-seat boats. There will be limited space in the dock area for hot-seating.

Launching: Events will be called to the docking area one (1) hour prior to the published start of the event. Boats will be launched in the order listed on the schedule for each event. **Anticipate a 45 minute easy row upstream to the start line and pace yourselves accordingly.** Outgoing boats will have priority over incoming boats in the dock area.

RACE CLASSIFICATIONS

Master: A Master is a competitor who has attained or will attain the age of 21 during the current calendar year. A competitor's age is determined as of December 31 of the current calendar year. A competitor thus becomes a Master on January 1 of the year of his or her 21st birthday. A Masters crew shall be comprised exclusively of Masters rowers, but the coxswain need not be a Master. In regular Master's events, the boats will be handicapped according to the US Rowing "Rules of Rowing." Masters crews shall be classified by age according to the following categories: (A) 21 to 35 years, (B) 36 to 42 years, (C) 43 to 49 years, (D) 50 to 54 years, (E) 55 to 59 years, (F) 60 to 64 years, (G) 65 to 69 years, and (H) 70 years and over. The age category of a Masters crew shall be determined by the average age of the rowers in the crew, rounded to the nearest integer. The age of a coxswain shall not be counted. The ages of individual rowers need not fall within the age category, so long as each rower is a Master and so long as the average age of the crew falls within the applicable category (USRA Rule 4-104, with 21-27 added into category A).

Collegiate: A Collegiate is a competitor who in the current calendar year is enrolled in a college or university as a full time student seeking a diploma.

Youth: A Youth/Junior is a competitor who in the current calendar year does not attain the age of 19, or who is or has been continuously enrolled in high school as a full time student seeking a diploma. A competitor ceases to be a Junior after December 31 of the year of his or her 18th birthday, or of the year in which he or she completes the 12th grade, which ever is later.

Championship/Club/Recreational: Events not designated Masters, Collegiate, or Juniors shall be designated championship/club/recreational events and should be open events.

Novice: A Novice is a competitor who, as of the day of the Hobbs Island Regatta, has only competed one year or less and has not won a head race regatta. Novice events may be coxed by experienced coxswains only if a novice coxswain cannot be found for the race.

True College Novice: A True College Novice is a competitor who, as of the day of the Hobbs Island Regatta, has no Junior/Youth rowing experience and has only competed one year or less and has not won a head race regatta. True College Novice events may be coxed by experienced coxswains only if a novice coxswain cannot be found for the race.

Lightweight:

Men: A men's lightweight crew shall average no more than 165 lbs. per rower, and no individual rower shall weigh more than 165 lbs. The coxswain shall not be counted. A male single sculler (1x) shall not weigh more than 165 lbs. A **Youth/Junior** men's lightweight crew is one in which no individual rower weighs no more than 160 lbs.

Women: A women's lightweight crew, including a single sculler (1x), shall have no rower who weighs more than 135 lbs. The coxswain shall not be counted. A **Youth/Junior** women's lightweight crew is one in which no individual rower weighs no more than 135 lbs.

Coxswains: A male coxswain may compete in events for women, and a female coxswain may compete in events for men. Coxswains will not be weighed in but will be on their honor to weigh at least 85 pounds for juniors and at least 100 pounds for all other crews.

Start Line: Each crew shall be in the staging area upstream of the start line 5 minutes prior to the published start time of the event. It is the coxswain's responsibility to get the crew in position at the designated time. **Anticipate a 45 minute row upstream to the staging area.** Events will be staged in the order as shown on the schedule and the starts will be staggered. The penalty for delaying a start is 60 seconds. Crews not present and in position in the staging when the event is started will be assessed the late start penalty. An exception may be allowed if the Dock Master or Starting Judge is made aware of any extraordinary cause for justifiable delay before the race is scheduled to start.

Overtaking: Boats being overtaken by another crew must give right of way.

Finish Line: The finish line will be upstream of the mouth to Ditto Landing Marina.

Traffic Pattern: A traffic pattern will be provided in your race packet and will be clearly posted at the Registration Tent and at the Dock Area. Should you have any questions regarding the traffic pattern, please inquire at the Registration Tent.

RELEASE OF LIABILITY

IN CONSIDERATION of being given the opportunity to participate in any USRowing activity, including scheduled, supervised club activities, and registered regattas, until the end of this calendar year, I, for myself, my personal representatives, assigns, heirs, and next of kin. 1. ACKNOWLEDGE, agree and represent that I understand the nature of Rowing Activities, both on water and land based, and that I am qualified, in good health, and in proper physical condition to participate in such Activity. 2. FULLY UNDERSTAND that: (a.) ROWING ACTIVITIES INVOLVE RISKS AND DANGERS of serious bodily injury, including permanent disability, paralysis and death ("Risks"); (b.) these Risks and dangers may be caused by my own actions, or inactions, the actions or inactions of others participating in the Activity, the condition in which the Activity takes place, or the negligence of the Releasee named below; (c.) there may be other risks and social and economic losses either not known to me or not readily foreseeable at this time; and I FULLY ACCEPT AND ASSUME ALL SUCH RISKS AND ALL RESPONSIBILITY FOR LOSSES, COSTS, AND DAMAGES I incur as a result of my participation in the Activity. 3. AGREE AND WARRANT that I will examine and inspect each Activity in which I take part as a member of USRowing and that, if I observe any condition which I consider to be unacceptably hazardous or dangerous, I will notify the proper authority in charge of the Activity and will refuse to take part in the Activity until the condition has been corrected to my satisfaction. 4. HEREBY RELEASE, discharge, and covenant not to sue USRowing, the Club, the Regatta, their administrators, directors, agents, officers, volunteers and employees, other participating regatta organizers, any sponsors, advertisers, and if applicable, owners and lessors of premises, on which the Activity takes place, (each considered one of the Releasees herein) from all liability, claims, demands, losses or damages on my account caused or alleged to be caused in whole or in part by the negligence of the Releasee or otherwise, including negligent rescue operations; and I further agree that if, despite this release and waiver of liability, assumption of risk, and indemnity agreement, I, or anyone on my behalf, makes a claim against any of the Releasees, I WILL INDEMNIFY, SAVE AND HOLD HARMLESS each of the Releasees from any litigation expenses, attorney fees, loss, liability, damage, or cost which any may incur as a result of such claim, to the fullest extent permitted by law. I have read this agreement, fully understand its terms, understand that I have given up substantial rights by signing it and have signed it freely and without any inducement or assurance of any nature and intend it to be a complete and unconditional release of all liability to the greatest extent allowed by law and agree that if any portion of this agreement is held to be invalid, the balance, notwithstanding, shall continue in full force and effect.
