Please check the web site at <http://www.portlandloop.org> for schedule and entry seeding. This information is subject to daily change.

The launch schedule will be distributed in the race packets.

NOTE: Any crew that delays the start of either flight will be penalized, and may be disqualified from racing in the regatta.

ENTRIES MUST BE RECEIVED BY FRIDAY, OCTOBER 22.

Entry Process: Entries must be received by Friday, October 22. Late entries will be subject to a late fee. Seeding for non-returning crews will be in the order that entries are received. Seeding for returning crews will be based on last years racing results.

"Senior Masters": Boat average age of 50 or more years, and all rowers must be age 27 or older. A competitor's age is determined as of December 31 of the current calendar year. The boat age is determined by the average age of the crew, rounded down. The coxswain's age shall not be counted.

Course Hazards and Penalties:

There are 2 bridges, 4 red navigation bouys, and 1 green navigation bouy on the course, as indicated on the course map. Any incidental hazards, such as snags, will be marked with a red balloon or flag.

Crews are required to stay to the east of the red bouys, which are located in Milwaukie Bay at about 2 miles into the race (port oars closest to bouys), and to the west of the green bouy, which marks the finish line (starboard oars closest to bouy).

Crews may go through either span of the railroad bridge, which is at the ½ mile point in the race. Crews **MUST NOT** go through the east span of the Sellwood Bridge (between the bank and first bridge abutment). The Sellwood bridge is about 500 meters from the finish line.

Crews may be assessed a 30-second penalty for failing to give way, for going through the east span of the Sellwood Bridge, and for passing to the east of the green navigation bouy. Crews passing to the west of the red navigation bouys will be disqualified.

The course will be covered in detail at the coaches and coxswains meeting.
