**RACE COURSE MAP:**

A map of the race course is available on our Regatta Central page under [VENUE](#). A course map will be posted at the Registration Tent and is also included in our Regatta Program.

**RACE SCHEDULE:**

The first Singles race is scheduled to begin at 9:00 AM and the first 4+s race should be around 9:50 AM. We expect the last race to be around 4:00 PM. [Race Schedules](#) and [Heat Sheets](#) will be posted on [HereNow](#) and Regatta Central in the **News Section** when they are available. The [Final Race Schedule](#) and [Final Heat Sheets](#) will be posted on [HereNow](#) on or about Thursday, 10/13/22. On race day, any changes in the schedule will be announced via Twitter ([@NHChampsRegatta](#)).

**LAUNCHING:**

Please do not show up to the launch until your scheduled launch time. Your launch time is 60-70 minutes prior to your race time; your race time can be found on the final schedule. Please bring a set of slings when you come to launch as there may be a wait to launch for the more heavily subscribed races (most junior 4+ and junior 8+ races). Please make every effort to launch in bow number order as this will help the referees keep everyone organized in the marshalling area near the start. Our dock schedule is very tight. Please plan ahead to move your crews on and off the docks as quickly as possible. Have extra rowers to collect shoes and carry oars onto the dock for the launching boat. Tie in after you push away from the dock. Thank you in advance for your patience, understanding and cooperation.

***PLEASE RETURN ALL BOW NUMBERS TO THE REGISTRATION TENT AFTER YOU RACE.***

**RESULTS AND AWARDS:**

Results will be available as soon as possible and will be posted on [HereNow](#). Results will also be posted on the boards near the team tent area. Once results are posted, there will be a 30 minute waiting period before they are declared Official. If there appears to be an error in the results, please speak to the staff at the registration tent within 30 minutes of posting. Once results are declared Official, medals may be claimed and signed for at the registration tent by the team coach.

**PROTESTS:**

Any protest must be submitted in writing to the Chief USRA Referee within 30 minutes of the finish of the last crew in the event in question. Protest forms will be available at the registration tent. This statement must contain a concise statement describing the facts that underlie the protest (including a visual description of the incident in question, bow numbers of protesting and protested crews, and names of witnesses, if any) and the relief that the crew seeks. The protest will include the individual signature of a protesting crew member (usually the cox on a sweep boat). A \$25 fee (exact cash or check payable to "Amoskeag Rowing Club") must accompany the protest. This fee will be refunded if the protest is upheld.

Remember that not every infraction on the water justifies a protest. Even if the protest is valid, the referee can only punish the offending crew by adding time or disqualifying. The referee cannot subtract time for the harmed crew.
