### **Ann Arbor Rowing Club (AARC)**

Trailer Parking: alongside the Boathouse. Turn onto Lake Shore Drive from N. Main St. and follow directions from the Parking Marshalls. Tow vehicles will be parked in the farthest lot behind the AARC Boathouse. PLEASE NOTE- trailer parking is limited, so please let us know if you plan to bring a trailer: [mci@a2crew.org](mailto:mci@a2crew.org)

Equipment and Singles/Doubles Drop Off: small parking area just before trailer parking. Unload, turn around and park in the areas described below. Allow yourself enough time to park, unload, leave the Boathouse area, park again, and walk back to the Boathouse. Please unload quickly, and please do not drive into the trailer parking area.

Referee and Handicapped Parking: close to the Boathouse. Turn onto Lakeshore Drive from N. Main St. and follow directions from the Parking Marshalls.

Athlete and Spectator Parking: at Bandemer Park and local businesses listed below, who have generously made their lots available to us. Please honor their generosity by driving safely, leaving no trash, and doing no damage. Park only in designated areas.

Parking lots will be staffed by Parking Marshalls, who will be wearing safety vests. The lots will be filled in the order listed below. When a parking area is full, regatta parking signs will be removed and the area will no longer be available for regatta parking. Please do not go to Lake Shore Drive or the Boathouse unless you are hauling a trailer, dropping off a single or double, are handicapped, or are a referee.
