On behalf of the Henley Commission, we would like to thank you for participating in this year's Royal Canadian Henley Masters Regatta. This is the fourth year that the Henley Masters races have occupied their own day in the schedule. This year we have 267 entries and more than 380 competitors.

Training and Racing Schedule

The Henley course will be open for Masters training Saturday, August 4th from 2:00pm to 6:00pm, and Sunday, August 5th from 6:00am to 7:00am. Please have all boats off the course by 7:25am Sunday. We will conduct our coaches meeting at the Clerks Booth at 7:00am Sunday, August 5th. All competitors are welcome to attend. The Final Draw will be distributed during the coaches meeting. The first Heat will be called at 7:30am - please have proper photo identification accessible. Racing will start at 8:00am.

Masters Office

We will be setting up a dedicated Masters office, located in the south end of the regatta office/boat house. Access will be by the stairway between the two boathouses. Office hours for Masters' issues (name changes, scratches, and late entries) will be Saturday, August 4th from 12:00pm to 5:00pm and Sunday, August 5 from 8:00am to 9:00am. Please note: the deadline for late entries is 3:00pm Saturday.

Please pick up a copy of the course training map when you arrive on Henley Island. For the safety of all competitors, it is important to be aware of and observe all course traffic rules during training sessions and in the warm up period prior to racing.
