Dear Coaches and Teams-

Welcome to the **Midwest Junior Rowing Championships!** The 2013 championship races will be held May 18th and 19th at East Fork State Park, Harsha Lake, in Bantam, Ohio. This event is a qualifying regatta for teams from the Midwest District, for the 2013 **USRowing Youth National Championships**. All races are 2000 meters and events are offered in singles, pairs, doubles, quads and coxed fours and eights for juniors in novice, lightweight, and varsity categories. The course is fully buoyed and has a starting platform. The course itself is declared a "no wake" zone during racing and will be patrolled by the State of Ohio Water Police and East Fork Park Rangers. The **Cincinnati Junior Rowing Club** hosts this event.

All races are conducted under MJRA rules and US Rowing Rules of Racing. Exceptions to the rules are rare and only made by the executive committee of MJRA. Our Chief Referee will be Robert Appleyard.

Please Note these Schedule Changes for 2013:

- The Boys 2- has been moved to the last race before the lunch break each day.
- The Girls N4x has been switched on the schedule with the Girls V1x.
- The Boys 1N8+ has been switched on the schedule with the Boys 2N8+.

The above three changes have been made to allow athletes adequate rest when doubling up in a YNC qualifying race.

The Saturday schedule reflects when the breaks and Repechages will take place.

Also, please be aware that the Saturday and Sunday schedules as shown reflect the number of entries per event that the MJRC experienced in 2012. More or fewer entries may affect the schedule to some degree, in number of heats, including seeding heats for qualifying events, number of petite finals, and the number of Finals Only events. If an event does not appear on Saturday's schedule it indicates that for 2012 there were seven or fewer entries for that event and that it is not a YNC qualifying event.

Good luck,

MJRA Executive Committee

Cincinnati Junior Rowing Club

TEAM ELIGIBILITY

- 1) **DUES:** Organizations must have paid their annual dues of \$30.00 by May 15, 2013. Dues are to be paid through Regatta Central and will be required in order to make entries into the Championship races.
- 2) **TEAM DEFINITION:** A team is considered to represent the usual way the program competes: a club or varsity program that represents a single Organization (being a single high school OR club program), with distinct location, colors, and coaches for the entire competitive season (starting March 1, 2013 to and including, June 9, 2013) is a team.
- 3) **OUT-OF-DISTRICT TEAMS:** Due to scheduling constraints, a maximum of two out-of-district boats will be permitted to race in any one event. Out-of-district entries will be accepted on a first-come, first serve basis and at the discretion of the local organizing committee. Initial progression calculations will be entirely performance-based, regardless of a crew's home district. In the event a Midwest District crew is bumped from progressing to the final by an out-of-district crew, the LOC will attempt to provide a seven-boat final, with the bumped crew being placed in lane one.

ENTRY PROCEDURE

- 1) **PACKETS:** Registration packets are available at the Midwest Junior Rowing Association website, www.mjra.org.
- 2) **REGISTRATION:** Register entries through Regatta Central: www.regattacentral.com at which time you must declare whether this event is your qualifying event for nationals. Every Coach will have a team roster code with Regatta Central for registration purposes. The registration deadline is at or before midnight May 15, 2013.
- 3) **WAIVERS:** Each participant must submit a waiver or have a current waiver on file with USRowing. Rowers may obtain an USRowing waiver electronically and be added to your team's roster on Regatta Central. Share your team roster code number with all athletes who will be included in your entries. Instruct your athletes to go to www.regattacentral.com/athletes/ where they can submit their waiver and obtain an USRowing Membership Number. Submitting waivers in this manner is time saving for the coach and allows the registration coordinator access to all rowers' waivers in an accurate and easily accessible manner. Printed waivers will still be accepted but must be completed with registration information and mailed prior to registration deadline

FEES, WAIVERS, AND ENTRY INVOICE FROM RC ARE NEEDED FOR A COMPLETE ENTRY AND THE ENTRY MUST BE COMPLETE FOR YOUR BOATS TO BE ENTERED INTO HEATS. FEES, WAIVERS AND THE ENTRY INVOICE FROM RC are due in the hands of the local organizing committee, Amy Ready at the above address, by **Wednesday, May 15th 2013**. If fees, waivers and entry invoice are sent by overnight mail, please indicate that recipient need not sign.

- 4) **ENTRY FEES:** The fees are \$16 per competing athlete (rower and coxswain), even if that athlete enters two events. The fee includes costs of USRowing Sanctioning Fee, medals and plaques. Note: rowers may only enter 2 events (exception allowed—see No. 9)
- 5) **ERRORS ON ENTRIES:** The coach of any entry that contains an error will be notified by phone or e-mail and given 24 hours to correct the error. If the time limit passes without resolution satisfactory to the regatta committee, the crew's entry for this particular event will be dropped and will become subject to the Late Entry rule should the coach try subsequently to correct the error and reenter the crew.
- 6) **SCRATCH FEES:** Any team that scratches an entry after May 15, 2013 will forfeit their entry fee. Those scratching after the start of the Regatta will forfeit their entry fee and be assessed a **\$25.00 scratch fee** to be paid prior to competition by any other boat from that team in subsequent races.
- 7) **LATE ENTRIES:** Any entry made after the deadline of midnight May 15, 2013, will be accepted at the discretion of the Regatta Committee based on the availability of a lane and only with a \$25 per boat late fee. **A late entry will not be accepted if it creates a heat.** If entries are sent by overnight mail please indicate that the recipient need not sign.
- 8) **REVIEW OF ENTRIES AND LANE DRAWS:** Crews can review their entries and lane draws at www.regattacentral.com by 3pm on **Friday, May 17th**.
- 9) **BOAT LINE-UP CHANGES:** Boat line-ups must be corrected at registration check-in. After this check-in, boat line-up changes can only be made for illness or injury. **With any changes, remember that a rower can only participate in two events with the following exception: The MJRA Executive Committee will allow an individual to race three times only when that person is needed to fill out a boat. The coach will still need to notify the LOC and executive committee prior to the given race. There will be NO mixed gender rowing allowed except for the coxswains.**
- 10) **REGISTRATION CHECK-IN:** Hours of registration: Friday, 5-8-PM; Saturday, 6:30 - 7:30 AM.

Note: The association receives 10% of the entry fees to help defray the cost of the annual meeting, the coaching clinic and other organizational expenditures. Aside from the 10% the Association does not give or receive money from the Local Organizing Committee. Any income derived from entry fees and concessions go to the Local Organizing Committee, and they are responsible for the providing of sanctioning fee, medals, plaques, and the expenses of the course and officials.

TEAM - a team is considered to represent the usual way the program competes: a club or varsity program that represents a single Organization (being a single high school OR club program), with distinct location, colors, and coaches for the entire competitive season (starting March 1, 2013, to and including, June 9, 2013) is a team.

MJRA Sportsmanship Guidelines

There are endless opportunities for us as coaches to teach values and morals to the future generations. What we teach them on the water through endless hours and thousands of strokes will stay with them longer than any single win. When many of us as coaches feel the pressure to win or base their self value on the results of teenagers in boats then it is time to get a better perspective on life. Remember we are educators first and coaches second and one should never miss an opportunity to teach. When the pictures fade and the medals dull in color and get put away in drawers, it will be what you stood for as a coach and a mentor that will be remembered and respected by your athletes not their win- loss record.

Two of the distinctive aspects of the sport of rowing are its "pure" or "amateur" status and the fact that athletes generally come to our sport much later than to others, and thus are less encumbered with parental investment. We are often the first models our athletes have for how to approach rowing; a healthy balance of passion and good humor; a value placed on honest effort, honestly evaluated; a high regard for all who row—regardless of for whom; an appreciation for the fairness of our competitions.

Conduct of Athletes

Competitors should treat each other with respect. It is important that kids learn to compete vigorously and fairly. It is inappropriate for them to badmouth their rivals.

On the water we should not indulge in gamesmanship. Deliberate false starts, snickering at a crew that is having trouble getting aligned, yelling at the other crew or playing music through the coxswain's amplification system are not acceptable behaviors.

After the races, if shirt bets have been agreed upon, the losing crew should find the winning crew and give up their shirts. If no shirt bet has been made, it is still a good idea for the losing crew to go over and shake hands with the winners. Athletes should be encouraged to spend a few moments talking with each other. Winning crews should be respectful of their opponents.

Conduct in the Launch

Our races have at least one launch that follows the race. It will contain the starter/race official, who in many cases during the season will be the coach of the home program. That launch needs to be under control at all times, never waking the racing crews or getting so close to the racing boats that they may feel threatened.

It is also very important for sportsmanship reasons and so that the crews can hear any direction that the race official may need to give to them that there be no noise from the launches that follow the race. Frequently there is a second or a third launch containing assistant coaches and spectators. These other launches must be behind the Official's launch. Spectators may not use their privileged position in launches to cheer for the crews. The launch driver should make sure that all people on board understand that shouting from a launch is a serious lapse of sportsmanship. No coach should shout at his/her crew or at any opponent.

Launches should always make sure when returning from the finish line that they come to a dead stop when passing other crews. If they must pass through the starting zone, they must make sure that they do not wake crews racing or lining up to race.

There is a procedure for expressing displeasure with the way a race has been conducted: a crew may protest the race to the official on the water. It is not appropriate to go beyond that, too badmouth the official or the other crew.

Spectators should be reminded that sportsmanship requires that they cheer for their own crew but do not jeer an opponent. Although our races are often held in public places, we should all try to follow host/guest etiquette.
