## 2014 CINCINNATI HIGH SCHOOL INVITATIONAL

1. Standard US Rowing rules of racing apply to this event.
2. The course is 2000 meters with a starting platform and is the same course for the Midwest Junior Rowing Championships, May 17 - 18, 2014.
3. The course is declared a no-wake zone and will be controlled by State of Ohio water police and the East Fork State Park Rangers.
4. Park Rangers provide overnight security for the boats and oars. You need to provide your own stands and storage of rigged boats. Because of an impending elimination of our usual trailer parking lot by the Park we have not finished making plans for trailer parking with contingencies for the weather. Trailer parking arrangements will be e-mailed to coaches closer to the date of the event.
5. The order of events is listed on the first page. There are heats in the morning and finals in the afternoon. Please check carefully both the provisional schedule on page one and the alternative schedule on page 4 to ensure that you can make all necessary accommodations for the double use of boats and oars and athletes. If necessary (and it has been necessary in previous years) we will use head races to determine finalists in both the novice and second varsity events. All head races used to qualify for finals will be held in the morning and possibly early afternoon. In order for crews to hot seat, the final scheduled starting times of the races need to be separated by a minimum of 50 minutes.
6. Coxswains and crews will be using a starting platform, and as such they will need to be able to back into a stationary starting float, and at the same time, immediately ready to point the bow. Coxswains (strokes of bow-coxed boats) must also know that they are to have their hands in the air while they are adjusting their point at the start.
7. All rowers must be eligible as eighth grade or high school athletes.

**Varsity** = any rower eligible as an eighth grade or high school athlete.

**Second Varsity** = any rower not in the first boat of the varsity program. In order to make a second varsity entry; a team must first enter the varsity event, except by arrangement for beginning programs approved by the LOC.

**Novice** = any rower who began rowing after May 13, 2013.
