

Head of the CUYAHOGA

This year we will have two opportunities for participants to become familiar with our course.

FRIDAY EVENING PRACTICE SESSION:

Due to the safety concerns associated with rowing on the Cuyahoga River no visiting crews will be allowed to row on Friday September 16th unaccompanied but will have the opportunity to row during the Friday Evening Practice Session. All boats will be escorted by a CRF coaching launch to assure the safety of the crews, therefore the number of shells will be limited. Boats wishing to practice on the course on Friday MUST register in advance and pay a \$10 per boat fee on Regatta Central. The practice session will start at 5:45pm with a safety briefing and will last approximately 2 hrs. If space is limiting, small boats will be given priority. You will be contacted and put on a waiting list if you register and all the available spots are filled. If we are unable to accommodate your request, your fee will be returned.

FRIDAY EVENING COURSE TOURS FOR COXSWAINS AND SCULLERS:

On Friday evening from 6 p.m. to 8 p.m. we are offering 40 minute tours of the course conducted by an experienced local coach for coxswains and scullers who would like a preview of this challenging course. Launches will leave the Rivergate dock every 15 minutes from 6 to 7 p.m. The cost of this service is \$10 per passenger. You must register and pay for this service in advance on Regatta Central. We will assign you a definite time slot for the tour after you register. If a slot is unavailable, your fee will be refunded.
