

2022 Jefferson Dad Vail Regatta

Weather Contingency Instructions for Crews on the Water

In the event weather conditions require crews to leave the water and return to the docks, the following directions will be followed:

1. Referees and river marshals will sound a warning horn and instruct all crews to leave the water and return to the docks.
2. Crews between the Rowers Village launch docks and Columbia Bridge must return to the Rowers Village launch docks.
3. Crews above the Columbia Bridge/Finish line must disembark at one of the following docks located just south of the Strawberry Mansion Bridge:
 - a) Canoe Club docks
 - b) Saint Joseph Boathouse docks,
 - c) City docks (located just below the Saint Joseph Boathouse docks).
4. Any change from this procedure (to improve safety) will be given by a referee or marshal.
5. Racing will resume one hour after the weather emergency unless the Chief Referee gives other instructions.
6. All crews must remain or have a crew member remain at the location they have disembarked.
7. Additional weather information and race time resumption will be announced at those docks.
