

Stonewall Regatta Parking Instructions and Race-Day Logistics

Anacostia Community Boathouse
1900 M St. S.E., Washington DC

Sunday, June 2, 2013

Spectator and Participant Parking

- There will be NO parking at, or proximate to, the ACBA boathouse. Exceptions include boat trailers, car-topped singles, and USRowing officials.
- All other vehicles MUST park in the upper lot at Maritime Plaza (1201 M St. SE, entrance from the M Street traffic circle).
- The regatta parking area will be marked; vehicles parked elsewhere risk being towed.
- Parking monitors will be located in the lot, to assist with parking, and direct pedestrians to the boathouse.
- The ACBA boathouse is a 0.7 mile (10-15 minute) walk from the parking lot (see attached map).
- Rowers may be dropped off at the Pennsylvania Avenue Bridge Overpass, but vehicles will NOT be allowed to proceed to the boathouse. Exceptions will be made for individuals with disabilities.

Trailer Parking

- The ACBA lot will open for boat trailer parking at 6am.
- Parking monitors will be on-site to direct trailer parking.

Rower Drop-off/Pick-up

- Rowers may be dropped-off at the turnabout under the Pennsylvania Avenue overpass (M street passes under this); vehicles will not be allowed to proceed beyond this point.
- To avoid congestion, and allow boat trailers clear access, rowers should plan to be picked up at the Maritime Plaza parking lot.

Race Officials

- Parking will be set aside for USRowing officials under the Anacostia Riverwalk Trail pedestrian bridge (see attached map).

Parking for Individuals with Disabilities

- Unfortunately there are not enough disabled parking spaces at the ACBA boathouse for all participants requiring such accommodation. Therefore we will reserve these parking spaces for drop off of participants with disabilities, but parking will not be permitted.

Team Tents

- Teams may set up tents inside the ACBA parking lot, along the riverbank (see attached map).
- Tents may not block the dock access ramps, or inhibit access to the parking lot.

Bathrooms

- Semi-permanent bathroom trailers, including shower and changing facilities, will be available.
- Portable chemical toilets will also be available for overflow use.

Spectators

- Spectators are welcome!
- Prime viewing locations include the Anacostia Riverwalk pedestrian overpass and Anacostia Park, on the opposite shore line (see attached map).
- Course viewing from inside the boathouse compound is limited.

Directions to the Anacostia Community Boathouse

<http://www.anacostiaboathouse.org/>

From Maryland to the Anacostia Community Boathouse:

From I-295 South, take the exit onto the 11th St Bridge. Exit toward M St/Washington Navy Yard. Turn right onto M St SE, and continue past the traffic circle.

From Virginia to the Anacostia Community Boathouse:

From I-395 North, continue onto the Southwest Freeway. Take the 6th St SE exit toward Navy Yard. Continue Straight onto Virginia Avenue. Turn right onto 8th St SE. Turn left onto M St SE, and continue past the traffic circle.

Boathouse Address (for drop offs): 1900 M St, SE, Washington, DC

Parking Address (Maritime Plaza): 1201 M St, SE, Washington, DC

PLEASE NOTE THAT M STREET PAST THE TRAFFIC CIRCLE IS CURRENTLY UNDERGOING MAJOR CONSTRUCTION! ROAD WIDTH IS RESTRICTED, AND DRIVERS SHOULD PROCEED WITH CAUTION.
