EMPIRE ROWING & EMPIRE SPORTS

WELCOME TO EMPIRE SPRINTS!

Empire Sprints is in the second year and we are working for you to bring in more teams, provide more races, and have the most competitive racing atmosphere.

Races at Empire Sprints 2019 will consist of Time Trial (TT) and a Final. Please note that all crews will race in a final regardless of placement in the TT. TT's will run on Saturday morning, followed by finals in the afternoon. TT's will be spaced, to allow for rowers to double up in events, as well as time to hot seat shells.

To address feedback from last year; We will provide a large buoy line 500m from Lane 8, to sequester the rowing course from any additional boat traffic, which will run the length of the 2k course and warm up area. All other lake usage permits have been denied, making Empire Sprints the sole lake event for March 23-24, 2019.
