

Unbeatable Erg Deal

from Haddon Township Crew Club

HT Crew is pleased to offer an opportunity to purchase a new Concept2 Model D w/PM4 Monitor at the greatly reduced price of **\$825**.

MODEL D with PM4 Monitor

The dependable performance of the Model D Indoor Rower has made it the best selling indoor rower in the world. Recognized by competitive rowers as the standard for indoor training, the Model D delivers an effective cardiovascular workout that will increase your fitness level and tone your physique. At a fraction of the cost of other home fitness equipment or a yearly gym membership, you can have the luxury of working out in your home whenever you choose...and get a great workout to boot. The Model D is efficiently engineered and will last a lifetime. This is the same machine used by Olympic- and elite-level athletes to train for their sport—it'll take the abuse of heavy training day after day. Now available in light gray or black.

Ergs will be delivered to and used at 2016 Haddon Hammer, HTCC's indoor rowing competition at Haddon Twp High School on February 7th. Ergs available for pick-up immediately after the event.
