

Bike rental

Our professional bike rental partner company provides high quality and well-equipped CTM bicycles for the customers. You can find wide selection of trekking, city, mountain and tandem bikes in many frame sizes. The stock contains bicycles for children indeed.

The bikes are always professionally maintained and they refresh their fleet with new models year by year.

Terms and conditions

We will do everything to make sure your rental experience is a success and that you will have a great time. In order to ensure that you know exactly what our (and your) responsibilities are, please read the following terms and conditions.

1. Use of the bicycle

The renter accepts the bicycle in good condition, and commits himself/herself to return the bike in equally good condition, and to ride the bike respecting the rules and obligations outlined in Hungary's laws, as well as committing himself/herself:

1. Not to adjust or manipulate the mechanical parts of the bicycle.
2. To park the bike in a manner that is safe for pedestrians and in a place where theft is minimized (e.g. no dark alleys).
3. To return the bike to Bike Rental at the time and date indicated on the contract. A late return will be charged according to extra time the bicycle was used (for example, you rent for 2 hours (0-2h=4€) but return the bike 1h later, you will be charged 2€ extra)
4. To be responsible for any loss or damage to the equipment which, at all times, remains the exclusive property of Bike Rental. In case the equipment is lost, destroyed or damaged beyond repair in the judgement of Bike Rental, the renter agrees to pay Bike Rental the value to replace the equipment. The replacement charge will be determined by Bike Rental and charged at the time of the rental.

Rentals are available between 9 am and 7 pm, from Monday to Sunday, 9th September to 15th September next to the Accreditation and Information Centre at the rowing course. The return of all equipment must be made during this period.

We recommend that you are adequately insured. We cannot be responsible for your own illness or injury or for damage or loss of your personal belongings while on a ride.

4. Accidents and release of liability

The client agrees that he/she will release Bike Rental from any and all responsibility of liability for injuries or damages to the user of the equipment listed on this form or to any other person.
