Please contact Jennifer Findlay of the Kenora Rowing Club at jfindlay@bell.net.

Guest clubs are exempt from this duty.

Please provide volunteer contact information to Jennifer Findlay at jfindlay@bell.net. Contact information should include volunteer name, date and time they are available, their email address and phone number. Volunteers will be contacted a week before the regatta on their role at the regatta.

Chief Referee

The chief referee for the 2014 NWIRA Championship Regatta is Allan Horne, RCA and FISA. Lise Trent, RCA is the assistant chief referee.

Weather Contingency Plan

To ensure the safety of the athletes, officials, regatta personnel and volunteers, officials and LOC may shorten, reschedule, or cancel races due to deteriorating weather conditions or other unforeseen events. When such situations occur, the Chief Referee, NWIRA Executive Committee, and LOC Regatta Chair will jointly assess the situation, outline alternations to the race schedule or competition, and inform the participating clubs of the alternations. Depending on the situation during the regatta, such alternations may include one or more of the following:

- Shorten the race from 2000 meters to 1000 meters or shorter if the weather conditions deteriorates enough to cause choppy waters or the regatta is seriously behind schedule.
- Postpone or reschedule races to different time to allow thunderstorm, lightening or other severe weather conditions to pass through.
- Shorten or cancel finals if severe weather condition occurs in the afternoon. If canceled, all heat results for an event determines finish order.
- Rearrange races so that the big boat events (4-,4+, and 8+) are conducted first following a passing thunderstorm. Conduct the small boat events (1x, 2x, 2-) as conditions improved.
- Cancel one day of competition all together if severe weather condition lingers throughout the day. Run the second day of competition as scheduled if condition improves.

Officials, NWIRA Executive and LOC Regatta Chair may also consider other alternations not listed. Regardless of alternations implemented, the safety of the athletes, officials, regatta personnel, and volunteers is top priority under any severe weather situation or unforeseen events.

There will be no refund of entry fees for canceled races due to deteriorating weather conditions or other unforeseen events.
