

Dear Head of the Lake Community,

HEAT SHEET AND SCHEDULE POSTED

The heat sheet has been posted [here](#). The [schedule](#) can be found here.

RESULTS ON REGATTA MASTER

Use [Regatta Master Online](#) for schedules, results and regatta information, and to follow the races in real time. Times are updated as crews pass by each of the four timing stations.

AWARDS

This year, all Juniors and U17 events and events with more than 10 entries will be awarded silver medals. Due to the larger Masters age categories this year, gold medals for these events will be awarded for the fastest handicapped time and for the fastest raw time (adjusted for penalties). View results on [RegattaCentral](#) and sort on raw time.
