

2009 Long Beach Junior Invitational

If scratches result in fewer heats, the time slot of the eliminated heat will be used as a "catch up" break. If scratches result in elimination of heats for an event, the final will be held in the time slot which had on this schedule been reserved for the first heat of that event. Any changes in times will try to shorten Sunday's schedule, while maintaining an hour between heats and finals and allowing for reasonable turnaround of equipment and athletes.

Events with 7 entries will have two heats and a final, the last boat in each heat will not advance. Lane draws posted later this week.
