

## Secret City Head Race Visiting Team Information

### Parking:

NEW! Parking passes for the Boathouse Parking lot will be available on a first come first serve basis. Entry will be \$10.00 and all spectators purchasing parking passes for the Boathouse lot will be given parking passes for the entire day, and be allowed re-entry. Team busses will be allowed to drop athletes off along the perimeter of the parking lot, and then drive back out to Melton Lake Drive to park elsewhere (Warehouse Road, Roane State etc.)

**No vehicles will be allowed in the boathouse parking lot without a parking pass.** With the purchase of a parking pass, a Boosters trailer will be allowed to park next to the team tent on the peninsula, but all other Boosters vehicles will ONLY be allowed to park in the lot with a purchased parking pass, or will be allowed to drop off supplies on the shoulder of the road, and then continue to park elsewhere. Please do not rely on a golf cart to help transfer boosters food. If available, they will be there to help, but ORRA will use them for various other tasks throughout the regatta.

Free parking will be available along Melton Lake Drive. A wheelchair accessible greenway runs the length of Melton Lake Drive and will be easy for spectating the end of races or walking to and from a car.

Please contact the Regatta Director, Sarah McAuliffe at [smcauliffe@orra.org](mailto:smcauliffe@orra.org) with any additional questions.
