COACHES, COXES and BOWS: Meeting promptly, 7:30 pm, Friday outside the Chesapeake Boathouse on the awards stage *Make certain your coxswains and crews have practiced the use of a starting pod. Crews will be expected to know how to "scull" to keep their point (2 sculling with bow's oar, etc.).*

## ATHLETE WEIGH-IN RULES:

- The maximum weight of junior rowers in lightweight events will be 150 pounds for Lightweight Men and 130 pounds for Lightweight Women. These shall be determined once each day no less than one hour and no more than two hours before the scheduled time of the first race in which the weight is relevant. Crews will be weighed in the order that they sit in the boat (bow to stern) and in race attire only (Racing unisuits and/or racing shirts and rowing shorts). Each junior rower shall have only one initial opportunity to weigh in. A competitor within one pound or less of the weight standard is allowed one re-weigh within the official weigh-in time window without the whole crew re-weighing. **A competitor whose initial weight is greater than one pound above the weight standard will be ineligible to compete in the event.**
- No one will be allowed to check his weight on the official scale during the official weigh-in times, but a second scale will be available all day.

## COXSWAIN WEIGH-IN RULES:

- The minimum weight of coxswains will be 120 pounds for boys and 110 pounds for girls. These shall be determined once each day no less than one hour and no more than two hours before the scheduled time of the first race in which the coxswain is racing. Coxswains shall wear race attire only (Racing unisuits and/or racing shirts and rowing shorts) while being weighed in.
- Coxswains who are more than five pounds beneath the minimum weight are encouraged to bring weight to weigh-ins. Sand, bags and duct tape will be supplied for underweight coxswains.
- Any crew having a coxswain who lacks a wristband after expiration of the weigh-in time window described above shall be excluded.
- No one will be allowed to check his weight on the official scale during the official weigh-in times, but a second scale will be available all day.

## CLASSIFICATIONS:

- **JUNIOR** – A Junior is a competitor who in the current calendar year does not attain the age of 19, or who is and has been continuously enrolled in secondary school as a full-time student seeking a diploma. A competitor thus ceases to be a Junior after December 31 of the year of his or her 18th birthday, or of the year in which he or she completes the 12th grade of secondary school, having been a full-time student, whichever is later.
- **AFFILIATION** – Affiliation with only one program, which he/she is registered with as of the first competition (registered/ non-registered, not including indoor events) for the duration of the spring season, defined between January 1 and June 15 of that current calendar year.
- **NOVICE** – A novice rower is in his/her first year of competition and did not race in the past spring season. Crews entered in Novice events shall include only novice rowers. Novice rowers shall have had no racing experience as a rower and novice coxn's shall have had no racing experience as a coxn OR a rower prior to the current rowing season. Coxn's who wish to become rowers may race for one season as novice rowers regardless of their coxing experience.
- **VARSITY** – A varsity athlete is any eligible junior rower as long as they are not also entered in a JV event.
- **JUNIOR VARSITY** – No rower who competes in a Varsity sculling event may also compete in any JV sculling event. For example, a rower competing in a Varsity quad may not also compete in a JV double, and a rower from a Varsity double may not compete in a JV quad. In order for a team to enter a JV event, that team must also have an entry in the corresponding Varsity event of the same boat class and gender. Sculling designation is different than sweep designation and the JV rules apply the same to sweep rowers.
- **OPEN** – Any athlete, Varsity, JV or Novice may participate.
- **JUNIOR B** – The "Junior B" category shall consist of those juniors who in the current calendar year do not attain the age of 17.
- **COXSWAINS-** May cox in any boat, regardless of male, female, novice or varsity status. Unlike rowers, there is no limit to the amount of events a coxswain may enter. However, the 40-minutes between events hot seat rule applies. *\*Make certain your coxswains and crews have practiced*

- **“B” and “C” entries** – are allowed in all events except Varsity 4x. Coaches must “seed” their own crews so that the “A” boat will be faster than a “B” boat.

**SEEDING:** The USRowing Youth National Championship events will be seeded based on results from previous regattas. Coaches will have one day to review and give feedback to the regatta director.

**SAFETY CHECK:** Check your equipment for race readiness, including the proper tying of heels of shoes (3 inches). Bow balls are required.

**WEIGHING BOATS:** Boats will NOT be weighed.

**BOW NUMBERS:** Teams must provide their own bow numbers 1-7.

**BOAT STORAGE:** Oklahoma City Boathouse Foundation will provide some shell racks and space will be limited to around the Chesapeake Boathouse. Trailers will not be allowed to stay in the park. All equipment must be removed from the regatta site Sunday evening. Crews are fully responsible for the use of A-Frames.

**CREW TENTS:** May be placed only in the clearly marked areas along the racecourse.

**PARKING:** Will be limited to the designated lots east of Regatta Park. There will be no parking in Regatta Park.

**PRACTICING FRIDAY:** Crews will be allowed to practice at their *own risk* Friday starting at 3:00pm. A Practice Traffic Pattern Map will be posted at the launch dock. Crews will not be allowed to launch after 6:30pm. Crews **MUST** be off the water by 7:15pm. Coaches, please make note that your crews **MUST** know the traffic pattern to be allowed to practice on their own on Friday.

**STARTS:** There will be individual Starting Pods at the start of the race course. All crews must be able to get aligned onto starting pods. Please make sure your coxswains and crews know how to back on to the pods and maintain a point while locked on. Crews will be expected to know how to “scull” to keep their point (2 sculling with bow’s oar, etc.). We will be using the “Starting Light and Sound System” on each pod. A demonstration will be held at the Coaches Meeting.

**RESULTS:** All results will be posted online at [www.cyrcoke.org](http://www.cyrcoke.org), they will also be tweeted out on “CentralYouthRow”, and on our Facebook page <http://www.facebook.com/CDYRC> and will be posted outside under the bridge.

**AWARDS:** Medals awarded for FIRST, SECOND, AND THIRD place for all events with 4 or more entries.

All medals will be available for pick up at the awards stage after each final event has been made official. Coaches can pick them up or the crew can be presented their medals for a photo opportunity on the awards stage.

An official awards ceremony at the conclusion of racing on Sunday will be held to present the new Points trophies to the Overall, Boy’s and Girl’s Team Winners.

## USROWING YOUTH NATIONAL CHAMPIONSHIPS:

For each event that corresponds to an event at the US Rowing Youth National Championships, two (2) invitations will be issued. Any team that qualifies for a US Rowing Youth National Championship event can substitute up to only 50% of its rowers in the boat. The Youth National Championships has a "Roll Down" bid policy that applies at a qualifying regatta with less than three bids. If a qualifying crew(s) chooses to decline a bid(s) for the Youth National Championships, the subsequent place finisher(s) would receive the bid(s). In no case does a roll down bid extend past the third-place finisher. Crews are asked to register for the Youth National Championship within three days of qualifying for the event or to notify US Rowing's event manager that the bid will be declined. For more information go to [www.usrowing.org](http://www.usrowing.org).

PROGRESSION SYSTEM: *For varsity eights only, repechages will provide placements in a, b, and c level finals.*

Number of entries	System
<b>0 - 6</b>	final only
<b>7 - 12</b>	2 heats, with top 3 finishers from each heat advancing to the finals
<b>13 - 18</b>	3 heats, with top 2 finishers from each heat advancing to the finals
<b>19 - 24</b>	4 heats, with heat winners advancing to the finals, along with the two fastest second place finishers

**Order of event finals.** Please note that not all events may need heats. The regatta committee will work to accommodate equipment and athlete conflicts that the heat schedule may cause. However, it is each coach's responsibility to ensure that athletes and equipment are not entered in events too close together. The 40 minute rule applies for hot seating.
