The age category of a Masters crew shall be determined by the average age of the rowers in the crew, rounded down to the nearest whole number. The age of a coxswain shall not be counted. The ages of individual rowers need not fall within the age category, so long as each rower is a master, and so long as the average age of the crew falls within the applicable category.

Individuals whose age places them in AA (age 21-26) may now compete in any age category where the average age of the boat falls within that specific age category.

A Masters crew may compete in a lower (younger) age category but not in a higher category.

If there is more than one entry in a given age category, no handicap shall be used.

**SAFETY CHECK:** Check your equipment for race readiness, including the proper tying of heels of shoes (3 inches). Bow balls are required.

**BOW NUMBERS:** Teams must provide their own bow numbers 1-7.

**BOAT STORAGE:** Oklahoma City Boathouse Foundation will provide some A-Frames and space will be limited to around the Finish Line Tower. Trailers will be parked in the grass by the Finish Line Tower. Crews are fully responsible for the use of A-Frames and are encouraged to adequately secure them.

**CREW TENTS:** Crews may place tents in the clearly marked areas along the racecourse on Sunday only.

**PARKING:** Paid parking will be available across the street of the Devon Boathouse. Free parking will be available in the empty lots on SE 6<sup>th</sup> St.

**STARTING PODS:** All crews must be able to align on the starting pods. Please make sure your coxswains and crews know how to back onto the pods and maintain a point. Crews will be expected to know how to "scull" to keep their point (2 sculling with bow's oar, etc.).

**RESULTS:** All results will be posted online at [www.oklahomariverevent.org](http://www.oklahomariverevent.org). They will also be tweeted on "RiversportOKC", and will be posted under the bridge.
