

## **2011 OKLAHOMA REGATTA FESTIVAL**

### **OCU Head of the Oklahoma Registration Information**

### **Oklahoma River, October 1-2**

#### **EVENT OVERVIEW**

The Oklahoma City University Head of the Oklahoma regatta returns to the Oklahoma River October 1-2, 2011 as part of Oklahoma City's premier fall event, the Oklahoma Regatta Festival - a four day celebration of rowing, kayaking, dragon boating and family fun on the Oklahoma River.

In addition to the OCU Head of the Oklahoma, this year's festival includes the return of international rowing to the Oklahoma River with the USA Rowing World Challenge, plus annual favorites including the blu VIP Party, OG&E Night Sprints, ...and a family festival featuring live music, a children's area, a zip line, food from some of Oklahoma City's best restaurants, a wine garden, and a front row seat for all the racing! It's all held in the Boathouse District on the Oklahoma River, adjacent to downtown Oklahoma City and the Bricktown entertainment district.

#### **HEAD OF THE OKLAHOMA**

Presented by Oklahoma City University, the Head of the Oklahoma has quickly become one of the top collegiate rowing regattas in the country. The 2011 OCU Head of the Oklahoma will attract an estimated 1,000 athletes from 40+ collegiate and community rowing clubs, with top crews including the OKC National High Performance Team. Teams will compete in the 4000m Head of the Oklahoma head race on Saturday with racing beginning at 11am. The head race will also act as a qualifier for the 500m rowing and 200m kayaking OG&E Night Sprints on Saturday evening.

#### **OG&E NIGHTSPRINTS**

In its sixth year, the OG&E Night Sprints attract thousands of spectators to the Oklahoma River as world-class rowers from across the nation sprint under giant stadium lights. Crews will qualify for night racing in select head races held earlier in the day.

#### **USA ROWING WORLD CHALLENGE**

The USA Rowing World Challenge will showcase top rowing talent from around the world as teams prepare for the 2012 Olympic Games in London. The USA Rowing World Challenge will include 2000 meter Olympic-style racing, as well as 500 meter OGE NightSprints on Friday, September 30<sup>th</sup> and Saturday, October 1<sup>st</sup>. International teams will spend the week training on the Oklahoma River and visiting area attractions before taking to the water to race each other one last time before meeting at the Olympics! In 2011, we're pleased to be welcoming teams from Canada, China, Germany, Italy and the USA.

#### **NEW FOR 2011 – Chesapeake Finish Line Tower**

The Chesapeake Finish Line Tower is the newest structure on the Oklahoma River and will be in use for this year's Oklahoma Regatta Festival. The \$6 million finish line tower meets both FISA and International Canoe Federation (ICF) standards, and offers state-of-the-art timing technology, as well as facilities for officials, media and a fourth-floor viewing gallery. Outside, a new terraced viewing area gives spectators prime viewing for the 2000m and 500m finish line. An outdoor video screen and a firepit make the Finish Line Tower a natural gathering place, both during regattas and throughout the year.

#### **Concept2 CTS Oar Repair Service at the Oklahoma Regatta Festival**

For all teams and individuals coming to Oklahoma to race, make plans to stop by the Concept2 CTS Regatta Service tent for any equipment tune ups you may need. Concept2 technicians will be on site Friday, September 30 and Saturday, October 1 to offer oar repairs and simple lessons in do-it-yourself fixes. This service is free of charge to all competitors in the regatta. Teams interested in servicing older equipment at the Oklahoma regatta venue should call Customer Service in advance (877.887.8014) to discuss the nature of the repairs needed.

**2011 OKLAHOMA REGATTA FESTIVAL**  
**OCU Head of the Oklahoma Registration Information**  
**Oklahoma River, October 1-2**

**RELEASE OF LIABILITY WAIVERS:** The Head of the Oklahoma is a US Rowing event and requires a signed US Rowing Release of Liability for each athlete. Waivers may be signed online which is the preferred method for submission; paper waivers may be mailed in advance or presented at Registration. All junior team coaches must carry and be able to provide a signed copy of the US Rowing Release of Liability for each member of the team.

To sign an online waiver, the athlete may do it either through the US Rowing web site or on Regatta Central. **US Rowing:** go to [www.usrowing.org](http://www.usrowing.org) and click on Join/Renew in the upper right hand corner. Full-Privilege members of US Rowing click Sign Your Waiver Online. If the athlete is not a Full-Privilege member of US Rowing, click Sign Waiver and Add My Name to my Organization's Roster. Complete the forms per their instructions.

Through **RegattaCentral.com**, log-in to [www.regattacentral.com](http://www.regattacentral.com). On the home page, under My Roster, click on Instructions for US Rowing Waiver Submission.

**IMPORTANT:** Waivers must be submitted by the athlete or their legal guardian. (Coaches are not permitted to submit a waiver on a rower's behalf)

**SEEDING:** The starting positions for the head race events will be seeded according to the results from the 2010 event. All other starting positions will be assigned according to a random draw. The lane assignments for the Night Sprint events will be based upon the finish times from the corresponding head race events. Head race events with a, b, and c sub categories will base advancement on the top collective times from all sub categories. For example: in an event with Open, Collegiate, and Lightweight subcategories, the top 12 times from all three advance to one Night Sprint final.

**EXHIBITION EVENTS:** The Parent/Child Night Sprints are direct registration with no corresponding head race event. To register email Jim Andersen, [jandersen@okcbf.org](mailto:jandersen@okcbf.org). In deference to NCAA regulations, collegiate rowers are excluded from participation in Parent/Child Night Sprints.

**TIMING:** All event timing and results will be posted on [www.headoftheoklahoma.org](http://www.headoftheoklahoma.org). **RESULTS** will be on facebook at [facebook.com/oklahomaregattafestival](https://www.facebook.com/oklahomaregattafestival) and on twitter at [twitter.com/OklaRegatta](https://twitter.com/OklaRegatta). Hashtag is #HOTO. We will also be posting results at the venue.

**COACHES AND COXSWAIN MEETINGS:** Race officials and organizers will hold a meeting for coaches, coxswains and unaffiliated scullers at **8:00 am** on Saturday, October 1<sup>st</sup>, at the Awards Stage adjacent to the Devon Boathouse. Individuals not competing on Saturday are required to attend the Sunday meeting at **7:00 am**.

**AWARDS:** Awards will be distributed for the Head of the Oklahoma at designated times throughout the day on Saturday and Sunday as results become official. An awards schedule will be included in the athlete race packet. Special awards will be awarded during a special ceremony prior to the start of the OG&E Night Sprints. Special awards include:

- Norick Cup – First-place finisher of the Men's Collegiate Eight Head Race
- Ackerman Cup – First-place finisher of the Women's Collegiate Eight Head Race

**OG&E Night Sprints:** Gold Medals for the OG&E Night Sprints will be distributed immediately following each Night Sprint event at the awards dock located near the OCU inlet.

**HOTEL INFORMATION:** Please visit [www.headoftheoklahoma.com](http://www.headoftheoklahoma.com) for a complete list of our hotel partners and the contact information to receive the special regatta rates.

## RACE COURSE/ REGATTA RULES

**TRAFFIC PATTERN:** Please see course map for specific traffic-related information. All Head Racing will be conducted in a counter-clockwise traffic pattern with racing occurring from West to East. All 500m racing will be conducted in a clockwise traffic pattern with racing occurring from East to West. Please use caution when passing through the bridges that cross the course.

**LAUNCHING:** All participants are expected to launch a minimum of 40 minutes in advance of the Head Race event in which they are entered. First call to the water is 55 minutes prior to the start of the race. Any changes to the launch times will be announced. Announcements will be made calling crews to the water. Events will not be held for late crews. Please ensure your crews are prompt on the dock and observe a 90 second dock time.

**CONTROL COMMISSION:** All crews are expected to check in at the Control Commission tent prior to launching. The crew will be given direction as to which dock to use for launching and will check for a properly affixed bow ball and heel ties on each shoe. Control Commission representatives will be located near boat launching areas.

**BOAT LIGHTING:** Regatta staff will provide lights for all boats entered in OG&E NightSprint events. Boats are prohibited from launching without the required lighting. Please return all lights after you race.

**RACE BIBS/BOW MARKERS:** Race bibs and bow numbers will be in your entry packet that should be picked up Friday afternoon or Saturday morning. All waivers must be turned in to

**2011 OKLAHOMA REGATTA FESTIVAL**  
**OCU Head of the Oklahoma Registration Information**  
**Oklahoma River, October 1-2**

receive the packet. All boats must have the bow number displayed during the race and the race bibs should be worn on the back of all bow seat rowers. PLEASE PLACE THE BOW NUMBERS IN THE MARKED RECEPTACLE LOCATED AT THE RECOVERY DOCK AT THE CONCLUSION OF YOUR RACE.

**HOT SEATING:** Hot seating will be permitted only from **the Recovery Dock**. The control commission must be informed in advance of a hot seating situation. No events will be delayed for late arriving crews. Late arriving crews may race the course for time if deemed safe by the starting official (however, they will not be eligible for a medal).

**STARTING:** The starter will arrange the crews so that crews cross the starting line at approximately 15 second intervals. PLEASE HAVE YOUR CREWS LINE UP IN THE ORDER OF YOUR BOW NUMBER PRIOR TO THE START OF EACH RACE. To consolidate space in the starting area and expedite the start process, crews will set up in two lines with the even numbers on the north and odd on the south.

**RIGHT OF WAY:** A crew is deemed to be overtaking another crew when it has moved within one length of open water of the crew ahead. On those portions of the course that are straight, a crew being overtaken shall move to the right to allow the overtaking crew to pass. Where the course turns, a crew being overtaken shall move to the outside turn and allow the overtaking crew to pass along the shorter path. Nevertheless, in cases where the overtaking crew's position clearly prevents safe passage or where there is insufficient room to yield, passing is not allowed, nor is the crew being overtaken required to yield. Use caution near all the bridges and be extra careful as you go through the railroad trestle bridge located just west of the Chesapeake boathouse.

**PENALTIES**

Buoys- Yellow buoys mark the boundaries of the course, dividing the race lanes from the warm-up/traffic lanes. Red buoys alert of approaching hazards. A crew shall be penalized 10 seconds for each buoy the crew passed incorrectly. A crew passes a buoy incorrectly when any part of its hull passes on the wrong side of the buoy.

Start- A crew that missed the correct order of the start will be penalized 10 seconds.

Yielding- A crew that fails to yield to a crew having proper right of way shall be penalized 30 seconds. A crew that fails to yield to a crew being properly summoned to the starting area, or interferes with the staging of the start may be penalized 10 seconds by the Marshal or Starter.

Bow Number- A crew that crosses the starting line without its required bow number shall be penalized 60 seconds.
