

# Covered Bridge Regatta PARKING

Please read the following parking regulations for the Covered Bridge Regatta 2008.

Shell trailers and full-size buses will park in the parking lot at Lowell State Park as in previous years. Additionally, each club will be issued **one** permit for parking one additional vehicle in the Park. All other vehicles will park in the town of Lowell. Parking is illegal on Jasper-Lowell/ Pengra Road.

For cars without permits, a turn-around area located immediately to the right on entering Lowell State Park will allow **brief** unloading of equipment and small boats on car top carriers. These vehicles will then be directed to the town of Lowell for parking. A free shuttle-bus from the town of Lowell to Lowell State Park will run from 6:00 AM to 6:00 PM. The shuttle may not provide for timely arrival at the coach's and coxswain's meeting, which begins at 6:15 AM. Please plan accordingly. Walking from the town of Lowell to the marina area at Lowell State Park takes about 10 to 15 minutes. Parking signs and attendants in the town of Lowell will help you find parking.

The one parking permit for each team will be distributed in the team packet and is available for pickup upon arrival at the park entrance or at the coach's and coxswain's meeting at 6:15 AM Saturday morning. Parking permits must be displayed on the dashboard for entrance and during parking at Lowell Park. There will be NO EXCEPTIONS to the parking permit system.

Last minute questions regarding parking are referred to Jon Juhlin at 541 517 6693. Thank you for your help with this change of parking for this year's Covered Bridge Regatta.

To help us plan for your arrival, please email the following information to [regatta\\_entry@oarowing.org](mailto:regatta_entry@oarowing.org)

team name \_\_\_\_\_
