

## Bus Driver Information

Welcome to the Orlando Area Rowing Society's 17<sup>th</sup> Annual OARS Invitational Regatta.

- The official name of the location is Bill Frederick Park at Turkey Lake, but everyone calls it Turkey Lake Park. The street address is:

3401 South Hiawassee Road  
Orlando, FL 32835

- After you pass through the Main Entrance to the Park, follow the signs about a mile to the Main Parking Lot.
- On Friday, please park along the fence outside the Boat Trailer Parking Lot.
- On Saturday morning, our volunteers will direct you to the Bus Drop-off Area. Please unload your passengers and gear at the Bus Drop-off Area. Do not drop off your passengers anywhere other than the designated Main Parking Lot bus drop off location, as this will obstruct traffic entering the parking lot, as well as create a pedestrian safety issue. After drop-off, OARS parking volunteers will direct you to Bus Parking at Pavilion Parking Lot 6. **Due to the proximity of the zoo animals to Pavilion 6, we ask that you turn your engines off as much as possible.** Near the end of the event on Saturday, prior to the parking lot getting busy, our volunteers will provide instructions for staging your vehicle in the parking lot for pickup.
- If your team is racing on Sunday, buses will remain in the Main Parking Lot after drop off. Traffic volume on Sunday is anticipated to be significantly less.

We appreciate your patience at this very busy event. If you have any questions, please don't hesitate to call me.
