Schedule

The race schedule can be viewed online and at RegattaCentral.com.

The **Coaches / Coxswains / Scullers Meeting** will be held at 7:10 AM, Sunday, October 13, 2010, at the two-story boathouse near the RCRC Boathouse.

Weigh-ins

There are no coxswain weigh-ins or Lightweight Events

Equipment

Every shell must have a protective ball on the bow and heel restraints attached to the foot stretchers in a way that allows for quick exit in case of emergency. Boats will not be allowed to launch without proper safety gear.

Bow numbers will be provided at registration. Please ensure each boat has a bow number clip on the bow off the boat for the number card. **Crews without bow markers may not have their times recorded. Please return the bow number card to regatta staff on the docks.**

Boat Storage

Small shells (1x, 2x) may be stored in the designated area next to the RCRC boathouse. Large shells may be stored on the gravel parking lot in front of the UCD Crew facilities.

REGATTA INFORMATION

Course

The Head of the Port traffic pattern is available on-line and at check-in. **PLEASE MAKE SURE ALL CREWS/SCULLERS FOLLOW THE POSTED TRAFFIC PATTERN.** The five Kilometer (5K) race course starts 3.5 Kilometers west of the RCRC boathouse and finishes past the turning basin in the "locks" area. The finish line is **500 meters past** the Industrial Blvd Bridge. While racing, pass under the **middle** span of the Industrial Blvd Bridge.

Please allow at least 40 minutes for rowing to the start area. Roll call in the start area will happen five minutes prior to the start of each event. All crews will be started in numerical order. Crews arriving late may be disqualified. Allow at least 15 minutes after the completion of the race to return to the dock when evaluating hot-seating options.

Overtaking boats have the right of way. Boats being overtaken must yield to the overtaking boat.

Please row through the finish line. Do not stop until you are at least 100 meters past the finish and your boat is well clear of all other race traffic. Watch for racing crews when turning.

When returning to the dock from the finish line, stay to the right-hand shore. Pass under the **right-hand** span of the Industrial Blvd Bridge.

Parking

Parking near the boathouse/launch site is very limited this year. No parking will be allowed in the parking lot in front of the UCD boathouse or on the gravel road connecting the boathouse and upper parking lot.

Since parking is limited, you are encouraged to carpool. We highly encourage spectators to park at one of the following locations:

- Street parking is available on Halyard Blvd. and Beacon Blvd. outside of the Port of Sacramento. Follow the directions to the RCRC Boathouse, but after turning right onto Industrial Blvd, take the next right onto Halyard Blvd. and park. Carefully walk across Industrial Blvd and follow the winding road to the boathouse. This is probably about 1 mile from the launching area.
- We suggest that spectators view the regatta at the Barge Canal Recreational Access. This park is along the levee by the finish line (you can walk or bike to any point along the entire race course from here, too). Spectator Parking will also be available here. The Barge Canal Recreational Access Park is located at 2100 Jefferson Blvd. To get to the park, follow the [directions](#) to the RCRC boathouse, but instead of turning right onto Industrial Blvd, turn LEFT onto Industrial Blvd. Follow Industrial over the bridge and continue to Jefferson Blvd (two stoplights after the bridge). Turn left onto Jefferson and then at the third stop light on Jefferson turn left into the Barge Canal Recreational Access parkway.

Trailer Parking

Trailer parking will be in a new location just north of the RCRC boathouse. If you are planning to bring a trailer, please contact us at: HeadofthePort@gmail.com by Thursday, October 8th. We will reserve a spot for your trailer, and provide you with further directions and parking information.

Awards

Awards will be presented to the top boat in each event with 3 or more boats in it and may be picked up at the registration desk.
