

Provisional Race Schedule

Issued 22:00 10th April 2013

Entries closed on Monday night with a near record number of entries of just over 1650 crews. Almost 1100 athletes from 107 clubs in Australia, New Zealand and the USA are now registered to attend the event. Whilst the Organising Committee is thrilled to be welcoming so many Masters competitors to Canberra in its Centenary year the unforeseen high number of entries, particularly the late influx on entries on Monday, has resulted in some challenges in fitting a racing schedule together.

The **Provisional Race Schedule** (PRS) for the 2013 Australian Masters Rowing Championship, as of 22:00 on Wednesday 10th April, is outlined below and has been loaded into the Regatta Schedule on RegattaCentral. This Provisional Race Schedule is based on the number of entries received as of the close of entries and withdrawals received to date. It is provided to allow competitors the opportunity to assess their racing commitments and withdraw from events, without penalty, now that the likely race schedule is apparent. All withdrawals received by **23:00 (AEST) on Thursday 11th April** will be removed from the entry system without penalty or forfeiture of entry fee. Withdrawals can be made by emailing chris.grummitt@grummittconsulting.com noting the event name and number, club name, stroke's name and RegattaCentral boat ID. You will receive a confirmation email once the withdrawal has been processed.

At the close of the Withdrawal Without Penalty period the Race Schedule will be further refined to account for any withdrawals received to that time and will be updated on the RegattaCentral website. In general, any change to the Race Schedule will not result in events being closer than those shown on the PRS. A lane draw will NOT be published until 48 hours before racing commenced.

Due to the complexity of the Regatta **no individual request for changes to the race schedule or order of the events will be considered** and competitors are encouraged to realistically assess their racing commitments during the remainder of the Withdrawal Without Penalty period. Withdrawals received after 23:00 11th April will result in forfeiture of the entry fee and may result in fines as indicated in the Rowing Australia Rules of Racing.

The unforeseen high number of entries has also necessitated a revision to the progression system to be adopted at the regatta and the revised progression system is outlined below. The revised progression system is not considered to unfairly affect any competitor and the Organising Committee and Rowing Australia appreciates your understanding with needing to make this late change to what has been previously advertised.

Crew Changes (Lineup Changes) may be lodged by email as per the above instructions for withdrawals until Tuesday 23rd April after which time they must be made at the Regatta Secretaries Office at the venue. Please note that any crew changes lodged will not be processed before Friday 12th April 2013.
