## 2014 Sydney International Rowing Regatta November Update

### EVENT ENTRY CAPPING

Following the release of the 2014 SIRR Bulletin 1, the decision has been made to relax previously published conditions surrounding entries for the Australian Schools Championships races.

In place of School event restrictions, please be aware that entry capping will be in place on all Australian Open Rowing Championship events and Australian Schools Championship events. No more than 46 entries will be accepted in any event; and no more than 4 entries from any one club/school in any one Australian Open Rowing Championships event and no more than 3 entries from any one school in any one Australian Schools Championships event. Any entries over these amounts will be placed on a waiting list in Regatta Central; after entries close crews on the waiting list will be added as appropriate from the waiting list at the discretion of the regatta organisers. For perspective there has only been one event with more than 46 entries in the past three Australian Rowing Championships.

### RACING SUMMARY

The 2014 SIRR Project Board are pleased to release the below racing summary for the 2014 event, including draft daily breakdowns per event. A full indicative Order of Events will be released in December 2013. The racing summary includes televised broadcast on Fox Sports of the 2014 King's Cup and Queen's Cup Interstate Regatta on Saturday afternoon 29<sup>th</sup> March, and the A-Finals of the World Rowing Cup #1 on Sunday morning 30<sup>th</sup> March. For the first time the Sydney International Rowing Regatta will also include racing on the afternoon of Sunday 23<sup>rd</sup> March, to free up time during the racing week.
