SITE: Gifford Pinchot State Park Pinchot Lake Lewisberry, PA

ENTRY RULES & REGULATIONS: Entry into this regatta is for Mid-Atlantic NCAA Div. III institutions with varsity men's and women's programs. Club or club-varsity men's teams who have D-III varsity women's counterparts (within the conference) will also be guaranteed entries. "Doubling up" will be permitted as long as the schedule permits it. Also, boats with rowers doubling up in them cannot earn points towards the team trophy*. Rowers in a Varsity 8 will not be permitted to combine (and therefore double up) with other rowers to compete in the JV8. Rowers in the Varsity 8 can, though, participate in the Novice 8, Varsity 4, or Novice 4. Also, rowers in lower boats (Varsity 4, Novice 4, Novice 8) can row "up" into the Varsity 8 or 2nd Varsity 8 boats. Points would only be counted in the event which provides the opportunity to earn the most. Rowers who double up can earn medals in the event in which they double up.

* For 2014, the men's team championship will permit boats with doubled rowers (V4 to 2V8/V8, for example) to earn points towards the overall trophy. See point system below.

LAKE TRAFFIC:

Traffic pattern will be reviewed at the coxswains meeting. All crews going to the start (northbound) must keep to the launch-side shore of the lake (northwest shore). Caution should be used when rowing to the start to stay out of Lane 1. Crews traveling to the start should proceed in a single file staying close to the shore. **UNDER NO CIRCUMSTANCES** should crews approach the area surrounding the starting line if a race is lining up.

ENTRY FEES:

- \$190 application fee (includes referee payment)
- Make checks payable to SRA, entry deadline is Saturday, April 12, 2014.
- Entry fees: **\$83 for 8s; \$57 for 4s; \$40 for 2s**

RACE COMMENTARY:

In an effort to make racing more spectator friendly, we will try to find a knowledgeable, yet impartial, rowing commentator to provide “stroke-by-stroke” analysis of the racing. We hope to use the current sound system and utilize a walkie-talkie.

AWARDS:

At the conclusion of the Championship the top 3 finishers of all races will be recognized with medals. If an event has 4 or less entries only the 1st place finisher will receive a medal. The men’s & women’s team champions, respectively, will be recognized with trophy presentations. The all-region & academic all-region team members (pre-selected by each coach) will also be recognized.

Team Conference Champion: The Conference Champion Cup will be awarded to the strongest overall team (a team being defined as a college fielding and competing in the V8 & 2V8, respectively). The lowest placing 2V8 will always earn 2 points, with each higher placing boat earning 2 more points than the place below. The lowest finishing V8 would receive 3 points more than the first place 2V8. Each higher placing V8 earns 3 more points than the place below. For example, a full field of teams yields the following point system:

2014 Men’s Point System:

EVENT	V8	2V8	V4
Place	Points		
1st	15	6	4
2nd	12		3
3rd	9		2
4th			1

2014 Women’s Point System:

EVENT	V8	2V8
Place	Points

4th	23	2
5th	20	
6th	17

8 th	11	

In the event of a tie in total points, the top finisher in the Varsity 8 race of the tied teams will break the tie. Should the MARC Championship have to be cancelled for any reason, the **AQ** will be determined by a vote of the head women's coaches from each member school. The vote will take place at the championship site, and coaches are not permitted to vote for their own team. When voting, coaches should primarily consider which *team* will represent our conference the best at the NCAA Championships. Coaches are only permitted to vote for 1 team. Ties will be broken with another vote between the "tied" teams.

All - Conference Team

Coaches may name two rowers (per team, per gender) to the MARC Varsity All-Region team. Please email the form to Mike Davenport on **MONDAY, April 14, 2014.**
