Submitting Waivers For Your Athletes

Waiver Instructions and Status

This regatta requires its own waiver or other releases (e.g. photo release, etc).

First things first:

- Review your club roster to make sure it includes all athletes who may be competing.
- **Names and birthdates must be correct**. Invalid names or birthdates will delay proper submission of waivers and may result in ineligibility.

Instructions:

1. Waivers can be completed at https://waivers.regattacentral.com/tyra2016/. Forward this link to all competitors you have registered in entries.
2. If you have submitted entries, you can login and review the waiver status reports on the Waiver Instructions & Status page.
