- Meter markers are painted on the left hand shore embankment wall, with corresponding white poles on the right hand shore.
- Lane markers are hung above each lane on the bridge.
- Bridge is at 700 meters, Boathouse is at 1100 meters.
- "ARR" is painted along the wall in white at the finish line.
- **ALL SPECTATORS** should park in the field across from the boathouse – there should be no trailers or cars parked alongside the road, police will be ticketing and towing the area. Coaches and buses should also park here. There is no parking in the small lot next to the bathhouse.
- All trailers will park in the boathouse parking lot, or along the road. If you are launching from the bathhouse, please do not park along the road, or the small parking lot – trailers must be pulled onto the grass to the left of the building.
- Please bag all trash and leave at the edge of the road for pickup.
