

One race away from victory. One stroke closer to a cure.

POUGHKEEPSIE ROW FOR THE CURE®

Dear Coach,

On June 1st, 2008, the Wappingers Crew Club will be hosting a Row For the Cure® Regatta. This regatta will raise money for those suffering from breast cancer as well as national research. 25% of funds raised are used for National Research; 75% of funds raised go to Local Community Health Grants.

We ask that each boat that enters pay a \$10 a seat registration fee. This registration fee will go to offset the expenses of hosting the regatta, but the remainder of the money will go to benefit the Greater New York City Affiliate of Susan G. Komen for the Cure.

In addition, although not required, we ask that each rower get friends, neighbors, and family to sponsor them. All other money raised by rowers will be donated.

If your team is interested in participating in the Row For the Cure Regatta please reply by May 9th. Also, we would appreciate volunteers to help officiate the regatta. We are in need of timers, flagmen, dock masters, aligners, chase boats, starters, and a marshalling boat.

We plan to provide medals for first, second, and third place finishes in each event. We also plan to provide a plaque for the team that raises the most money for Row for the Cure.

The following events are planned:

Girls

Eight
Four
Lightweight Four
Novice Eight

Boys

Eight
Four
Lightweight Four
Novice Eight

Mixed

Eight

If you have any questions feel free to ask.

Thank you,
