

The Columbus Crew Classic15

October 10, 2015

Hosted by Westerville Crew

Location: Hoover Reservoir, Westerville, OH. Hoover Reservoir is an eight mile, man-made reservoir and the main water supply for Columbus.

This is a HS/Junior event only.

Course: BACK BY POPULAR DEMAND. A straight course!

Entry Deadline: The entry window closes at midnight, Monday, October 5th, 2015.

Fees and waivers are due BY Monday, October 5, 2015. Actual boat lineups are due by October 8th. Entry must include payment (payable to Westerville Crew), Regatta Central invoice and waivers or individual's USRA number for verification.

Waivers:

- Coaches: your athletes may submit their waivers online, saving you the hassle of dealing with paper waivers. They need to be added to your Regatta Central roster and need to have signed their waiver online. Here are instructions from USRowing:

Through USRowing.org

1. Athletes should go to www.usrowing.org.
2. Click on the Join/Renew link in the upper right hand corner.
3. If the athlete is a Full-Privilege member, click Sign Your Waiver Online. Enter member number and password. Read through the waiver then click Accept Waiver.
4. If athlete is not a Full-Privilege member, click Sign Waiver and Add My Name to my Organization's Roster. Read through the waiver then click Accept Waiver. The athlete will be prompted to fill in contact and team information to complete the non-privileged membership. Once this has been done, click Process Application. On the next page, there will be a confirmation notice which includes the athlete's non-privilege USRowing membership ID number.
5. Full-Privilege members need to give their USRowing member numbers to their coaches to add to the team's roster on RegattaCentral.
6. Non-privilege members need to give their USRowing ID numbers to their coaches to add to the team's roster on RegattaCentral.
7. Coaches should add these numbers to their rosters on RegattaCentral, then click Sync with USRowing Waiver Database.

Through RegattaCentral.com

1. Coaches and entry submitters should log-in to www.regattacentral.com. On the home page, under My Roster, click on Instructions for USRowing Waiver Submission. The Roster Code for this account will be listed here.
2. Coaches should share their Roster Code with all athletes who will be included in entries submitted using this RegattaCentral account. This roster code links only to this account.
3. Instruct the athletes to go to <https://www.regattacentral.com/athletes/> where they can enter the Roster Code and submit their waiver.

4. When an athlete enters the Roster Code and their last name, the system will attempt to locate their record in that account's roster. If it is located, they will need to indicate whether they have a Full-Privilege USRowing individual membership. If they do, they will be prompted to enter their USRowing member number.
5. All athletes will then be prompted to enter their contact information and read through and submit their waiver.
6. If they are not a Full-Privilege member they will receive their **free**, non-privilege USRowing Membership ID.
7. If the athlete has not yet been added to the roster the system will *automatically* add them. This is an especially helpful and time-saving feature at the beginning of rowing seasons where you may have many new athletes.

IMPORTANT: Waivers must be submitted *by the athlete or their legal guardian*.
(Coaches are not permitted to submit a waiver on a rower's behalf)

If you have any questions regarding waivers and compliance, please call the USRowing office at 1-800-314-4769.
