

**USRowing Southwest Regional
Junior Championship Regatta
May 19-20 2007
Lake Natoma - Rancho Cordova, CA**

Entries are now being accepted for participation in the USRowing Southwest Regional Junior Championship Regatta. Races will be held on Lake Natoma in Rancho Cordova, CA, on a seven lane 2000 M buoyed course with starting platforms.

Eligibility: The SW Regional Junior Regatta is a championship event for rowers from Arizona, California, Colorado, New Mexico, Hawaii, Nevada, New Mexico, and Utah only. First, second, and third place SW Regional Championship medals will be presented for each event to the top three finishing crews. Points will be calculated in each event for the highest scoring entry for each team. Only the highest placing boat will earn points. Freshmen athletes entered in Frosh events must attach official documentation of Freshman status to the entry form. Acceptable documentation includes copies of student ID cards or a letter from the school administration on school stationery.

USRowing Membership: The SW Regional Championships is a USRowing sponsored event. Each participant is required to be a current individual member of USRowing. Every organization must be an organizational member of USRowing. The regatta will be a USRowing Registered Regatta and will abide by the USRowing Rules of Racing, except where amended by the region (rules are listed below).

COMPLETE ENTRIES MUST BE RECEIVED BY MAY 1, 2007

General Information: The regatta will be officiated by USROWING Judge-Referees. Coaches are expected to prepare athletes for participation in a formal regatta conducted by licensed officials and utilizing a starting platform. Crews must be able to scull themselves into alignment at the starting line. Races will run on time. Events will not be postponed for hot seating of athletes or equipment. Please consider this information when selecting your entries.

Events with Trophies: Please return trophies on Friday for distribution over the weekend.

How to submit Entries and Fees: The regatta will be utilizing <http://www.regattacentral.com>. You will be able to submit entries and view entries, access various information, and more. RegattaCentral also enables automated waiver compliance (assuming waivers are on file with USRowing) and enables your online roster to track Freshman, allowing the regatta to verify Freshman status more easily.

Entries must be received by May 1, 2007. Entries received without fees, waivers, or Freshman documentation will be considered late entries. Late entries are subject to the higher entry fee. **Freshman Documentation must be received by May 1, 2007 to assure acceptance into those events.** Freshman documentation should be sent to: **Paul Wilkins, 9315 N Marina Pacifica Dr., Long Beach, CA 90803. I will not place entries in the draw without the documentation.**

Late entries received after May 1, 2007, will be admitted on a space availability basis only in the scheduled heats and finals. Fees and waivers are due with entry forms. Entries submitted without fees will not be included in the regatta schedule. **A scratch fee of \$25.00 will be assessed for any scratches made after noon on Tuesday, May 8, 2007.** "No shows" at the starting line will be subject to the scratch fee. Changes or corrections to boat line-ups should be made as soon as is practicable.

To expedite the process of submitting entries, be sure to have the USRowing Member Number for all rowers you'll be entering. Additionally, you can speed up waiver compliance by having your athletes fax their waivers to USRowing.

Each regatta has a separate "entry window". Our entry window is through **May 1, 2007. If you need to add an entry you must contact Paul Wilkins, swrowing@cs.com to enable late entry acceptance through RegattaCentral.**

Note: Entries will not be accepted via postal mail.

SW Region Junior Championship Regatta By-laws and Guidelines

1. **Executive Board:** An Executive Board of Stewards will be empowered to act on the business of the Southwest Regional Junior Rowing Championship Regatta. The Board will be made up of five (5) voting members, no two of which will be from the same club. Executive Board Representatives will serve two-year terms. In order for the Executive Board to transact business, a quorum must be established. A quorum will consist of three voting members and any decision that only three voting members comes to must be unanimous.
2. **Membership Voting:** Membership organizations shall be restricted to one vote per squad (1 men's and 1 women's) that they represent, with a maximum number of two votes per organization. Proxy votes will be allowed. Proxy votes must be submitted in writing and tendered at the beginning of the fall meeting.
3. **Championship Regatta Rules:** USRA Rules will apply to the SW Region Junior Rowing Championship Regatta except where modified by the membership. Any change of the By-laws or Regatta Rules must be accomplished by the Fall membership meeting. After that time, the Executive Board of Stewards is in charge of implementing these rules, but can not override the rules agreed upon by the membership.
4. **Regatta Format:** The format will follow a modified USRA Progression System C as voted on by the region in the Fall of 2004. See progression in clarifications below.
5. **Classifications and Clarifications:**
 - a. A coxswain may race at any classification level or in any event with the restriction that a second, third or fourth year coxswain not race down to the novice level and that, the varsity level coxswain not race down to the JV or 3V. If extenuating circumstances exist, petitions will be heard.
 - b. A Freshman (Frosh) is defined as 9th grade or younger (up to and including 9th grade) and in their Novice year of rowing. The Frosh 8+ and 4+ coxswain need not be a Freshman, as long as he/she is a novice.
 - c. A Novice is considered to be in their first season of racing and shall have had no racing experience prior to the current rowing season.
 - d. The 3rd Varsity (3V) classification is not open to any rower competing in a Varsity or JV event. Exceptions: JV4+ may include athletes who are classified as 3V and below.
 - e. The JV classification is not open to any rower competing in a Varsity event. In order to enter a boat in a JV event, teams must also be entering a Varsity boat with an equal or greater number of seats. Therefore, a team can enter a JV4+ if and only if they have also entered a V8+ or V4+ and can enter a JV8+ if and only if they have also entered a V8+. It is understood that the Varsity boat be entered as the faster of the two boats.
 - f. The Varsity classification is open to any eligible junior rower.
 - g. Athletes can only row in 3 events at SWJRA Championship regatta.
 - h. The quad events will be without coxswain for qualification to the Youth Invitational; however, additional crews can row with coxswain.
 - i. In a 2 heat, non-seeded event Lane 7 can be used for the 4th place crew if that time is faster than the winning time of the other heat. In a 3 heat, non-seeded event, Lane 7 can be used for the third place crew if that time is faster than the winning times of the other heats.
 - j. In a non-Nationals-qualifying event, if an event goes to 4 heats+, the winner of each heat and the next 3 fastest times to fill out 7 lanes will progress to the final. In a Nationals-qualifying event, if an event goes to 4 heats, we will shift to a heats-rep-final progression.
 - k. The following races are Youth Invitational qualifiers: V8, V4, LT8, LT4, 4x, 2x, LT 2x, 1x.

- l. **Composite boats:** There shall be no composite boats at SWJRAs. Composite is defined as one boat with members of more than one club. If extenuating circumstances exist, petitions will be heard.
- m. **Lightweight classifications shall be as follow:**
Men: 155-lbs. max., no average. Women: 130-lbs. max., no average
- n. **Lightweights** need to weigh-in according to USRowing Rules of Racing, once each day no less than one hour and no more than 2 hours before the scheduled time of the first race in which the weight is relevant. All lightweights will receive a wristband after weigh-ins. Wristbands must be present during racing of lightweight events.
- o. **Coxswain weight minimums** for men will be 120 lbs. and for women will be 110 lbs. Coxswains must weigh-in each day they race.
- p. A coxswain can have up to one (1) year coxswain experience and still be considered a novice rower.
- q. **Duplicate Entries:** Each team is guaranteed one boat per event. Duplicate entries will be allowed on a lottery system if there are lanes available to be filled. New heats will not be formed to accommodate duplicate entries. The faster of the two boats will be considered the "A" boat, the slower boat will be considered the "B" boat. The only exceptions to the one entry limit will be the 3V8, N8B, FR8, 4x and 1x events. The schedule coordinator should make arrangements to provide that no team will have more than one entry per heat.
- r. **Seedings:** The following races will be seeded for SWJRA: V8, JV8, LT8, N8, 1x, 2x, 4x. Seedings will be determined from results from League Races, SoCal Cup Races and San Diego Crew Classic. A league coach poll will occur no later than 2 weeks before Championships.
- s. **Results:** Results from all League Races and SoCal Cup Races are to be posted for all coaches, by the Wednesday following race day. Results should be posted to www.row2k.com.
- t. **Scratch Fee:** a scratch fee will be enforced as a deterrent to unnecessary entries.
- u. **Trophies:** Trophies must be returned to the Stewards prior to the Regatta Meeting on Friday evening.
- v. **League Races - Teams** must race a straight V8 and JV8 and not even boats.
