

# **USRowing Southwest Regional Junior Championship Regatta May 8-9, 2004 Lake Natoma - Rancho Cordova, CA**

Entries are now being accepted for participation in the USRowing Southwest Regional Junior Championship Regatta. Races will be held on Lake Natoma in Rancho Cordova, CA, on a seven lane 2000 M buoyed course with starting platforms.

**Eligibility:** Although the SW Regional Junior Regatta is a championship event for rowers from Arizona, California, Colorado, New Mexico, Hawaii, Nevada, New Mexico, and Utah, rowers from outside the Southwest region may also enter the regatta. First, second, and third place SW Regional Championship medals will be presented for each event to the top three finishing crews. Points will be calculated in each event for the highest scoring entry for each team. Multiple entries from any team are permitted, but only the highest placing boat will earn points. Freshmen athletes entered in Frosh events must attach official documentation of Freshman status to the entry form. Acceptable documentation includes copies of student ID cards or a letter from school administration on school stationery.

**USRowing Membership:** The SW Regional Championships is a USRowing sponsored event. Each participant is required to be a current individual member of USRowing. Every organization must be an organizational member of USRowing. The regatta will be a USRowing Registered Regatta and will abide by the USRowing Rules of Racing, except where amended by the regatta organizers. Attached entry forms must be fully completed (including individual USRowing member numbers) and returned before a team or individual is allowed to compete. To receive USRowing membership information or membership registration materials, please call the USRowing Member Service Department at (800) 314-4ROW.

**COMPLETE ENTRIES MUST BE RECEIVED BY MONDAY, APRIL 26, 2004**

**General Information:** The regatta will be officiated by USROWING Judge-Referees. Coaches are expected to prepare athletes for participation in a formal regatta conducted by licensed officials and utilizing a starting platform. Crews must be able to scull themselves into alignment at the starting line. Races will run on time. Events will not be postponed for hot seating of athletes or equipment. Please consider this information when selecting your entries.

**How to submit Entries and Fees:** Again I am pleased to announce that the regatta will be utilizing an online entry system, <http://www.regattacentral.com>. You will be able to submit entries and view entries, access various information, and more. RegattaCentral also enables automated waiver compliance (assuming waivers are on file with USRowing) and enables your online roster to track Freshman, allowing the regatta to verify Freshman status more easily. Entries must be received by Monday, April 26, 2004. Entries received without fees, waivers, or Freshman documentation will be considered late entries. Late entries, or entries received after April 26, 2004 will be subject to the higher entry fee and space availability in the scheduled heats and finals. Fees and waivers are due with entry forms. Entries submitted without fees will not be included in the regatta schedule. A scratch fee

of \$25.00 will be assessed for any scratches made after noon on Friday, April 30, 2004. "No shows" at the starting line will be subject to the scratch fee. Regatta Central offers many features that will make the entry process easy and will allow coaches that are registered to access and change their entries and view other entries to the regatta. Changes or corrections to boat line-ups should be made as soon as is practicable. USROWING Rules of Rowing allow up to 50% of a lineup to change after an entry has been submitted.

The SW Junior Regional Championship is pleased to utilize RegattaCentral again this year. This web-based system enables you to submit entries and monitor regattas online, providing immediate entry verification and much more... **To expedite the process of submitting entries, be sure to have the USRowing Member Number for all rowers you'll be entering. Additionally, you can speed up waiver compliance by having your athletes fax their waivers to USRowing.**

Each regatta has a separate "entry window". Our entry window is Now – April 30.

**Note: Entries will not be accepted via postal mail.**
