

HEAD of the MOHAWK -- Final Results

Saturday, October 6, 2012

It was a calm morning in the 50's with wind gusts picking up throughout the morning. About 300 participants joined us for a day of competing on the Mohawk River. We celebrated the regatta's 40th year by rowing up river and around the island for the final event of the day in the Open Mixed Eight -- "The Return of the Turn". All the crews managed to round the island before heading down river to the final finish of the day.
