1620 - 2020 400TH COMMEMORATION OF PILGRIMS LANDING IN PROVINCETOWN!

Historians cite *the Mayflower Compact* as the foundation of American democracy based on the rule-of-law. After two months crossing the Atlantic none of the passengers or crew aboard the **Mayflower** were allowed to go ashore until this covenant was signed by the majority of eligible men according to British law. All the laymen and Pilgrims were thus bound together by the Compact 'for the sake of order and survival.'

After five weeks of exploring Provincetown and Cape Cod the Mayflower sailed to Plymouth to make a permanent settlement.
